Hello,

Please find attached the weekly news update for this week. For your convenience this will be posted for you to view in the next few days at the following link: http://www.1id.army.mil/DocumentList.aspx?lib=1ID_FRG_Updates. Hope everyone has a wonderful and enjoyable weekend!

Upcoming Events and information to pass along to our Soldiers and Families:

Riley Ride- Riley Ride to extend operations on March 9-10: Because of the celebration that occurs annually during “Fake Patty’s Day” in Aggieville, Manhattan, Riley Ride, will be operating hourly from 10:00pm to 4:00am March 9 and 10, according to Teresa Mayes, manager, Fort Riley’s Leisure Travel Center (LTC). Mayes said she hopes everyone doesn’t wait until the last run at 4:00am since space is limited and availability is on a first-come, first-serve basis. The pickup point in Aggieville is the gas station parking lot, located at the intersection of 12th and Moro streets. Riley Ride began in June 2008, as a way to keep Soldiers and others on the road safe after a night of drinking, by picking and dropping them off at designated barracks on post. Points of pick up and departure on post are: the Warrior Transition Battalion parking lot, Building 210 parking lot, Building 694 and Buildings 7000 A, C, D, F and G. During March 9 and 10, the bus will be looping back and forth between the post and Aggieville, Mayes said, which should take about an hour. The 21-passenger bus normally operates from 10:00pm to 2:00am on Fridays and Saturdays. The cost is \$2.50 each way. Tickets in denominations of \$5 or \$10 are available with cash from the Riley Ride driver or in advance from LTC, Building 6918 on Custer Hill. LTC is open from 10:00am to 5:00pm, Monday through Friday. For more information, call 785-239-5614 or 785-239-4415.

Daylight Savings Time- Begins March 11 - set your clock(s) forward one hour at 2:00 AM this Sunday. You don’t want to be late for work or better yet don’t miss that favorite TV show or event because you forgot to set your clock forward one hour.

Fort Riley Fire Dept- SPRING FORWARD! Fort Riley Fire Department would like to remind you to do this! Smoke Detectors and Carbon Monoxide detector batteries need to be changed twice a year. So when you change your clock forward on March 11, 2012 remember to change the batteries too. Once you have changed the batteries; be sure to test the detectors. This simple act cuts the risk of dying in a home fire nearly in half.

Commissary – GRAND OPENING & RIBBON CUTTING CEREMONY is 13 March 2012 at 0900. Come join in the fun. There will be give-a-ways, games and prizes. This 90 minute clinic will teach you how to position your body and foot strike to maximize your momentum and reduce your injuries. The clinics will be scheduled a few times a month at King Field House and Long Gym. There are only 4-5 minutes of running during the clinic for gait analysis so the clinic is fine for brand new runners. Please come dressed in running clothes to start the clinic indoors and then move outside for the gait analysis and uphill and downhill running section. 11D and Fort Riley Weekly News Update for March 9, 2012

K-18 Construction- Construction along K-18/Ft. Riley blvd. will be picking up early March as the weather allows. Drivers to Manhattan are encouraged to consider alternate routes (such as 177 to I-70 between Junction City and Manhattan.) Keep in mind the additional time required for travel during high-traffic hours. March 18 is the date Miller Pkwy will be closed at its junction with Ft. Riley Blvd. Inclement weather may slow down this time table. Drivers seeking alternate routes via McDowell Creek Rd. are also encouraged to keep in mind that turning west from McDowell Creek Rd onto Pillsbury Dr. may be a challenge due to substantial traffic, as this is a non-lighted intersection. Traffic along K-18/ Ft. Riley Blvd., will be reduced to one lane in each direction and access to Fort Riley, Manhattan Regional Airport, Eureka Drive and Business District will be affected, but maintained throughout the duration of construction. To stay up to date, visit www.ksdot.org , and/or www.rileycountyks.gov.
