14 June 2012

The United States Army 237th Birthday

Today, we celebrate the 237th birthday of our Army. For 237 years, our Soldiers, Civilians and Families have been the strength of our Nation in peace and at war.

Today, America's Army is engaged in nearly 150 countries around the world, on 6 of 7 continents, with over 94,000 Soldiers deployed today and 94,000 forward stationed. Our Nation depends on its Army to defend the shores of our homeland, defeat enemy forces abroad, and help with recovery efforts in the wake of natural disasters.

We have the best equipped, best trained, and best led Army in history because of the 1.1 million professional Soldiers who serve in the Active Army, Army National Guard and Army Reserve, as well as the dedicated service of our Army Civilians. It is our Army's competence, adaptability, moral character, and resolute commitment that defines us as professionals and guarantees our long-standing sacred trust with the American people.

I'm proud of your accomplishments, your sacrifice, and your selfless dedication to our Army and to the Nation. Today, on its 237th birthday, we honor our Army and the remarkable men and women, past and present, who have embraced our Nation's call to service. Army Strong!

Sincerely,

A handwritten signature in black ink, appearing to read "R. Odierno". The signature is fluid and cursive, with a long horizontal stroke at the end.

ARE YOU A CUT ABOVE?

With down-sizing, restructuring, and reclassification occurring army-wide, it is a great time to assess your marketability and determine how you rate among your peers. Do you want to reclassify to another MOS? Do you want to compete for special Army schools? Do you want to get promoted? Furthering your education will help you to be more competitive.

We have seven On post colleges offering various programs to earn your Associates, Bachelors, or Masters Degrees. We even have some certificates that may be useful in broadening your personal and professional development.

You say, "How will I pay for it?" For Soldiers, there is \$4,500 of Army tuition assistance offered every fiscal year.

Qualifying Family Members can apply for the Military Spouse Career Advancement Account program (MyCAA) at www.militaryonesource.com, with a one-time offer of \$4,000 to earn an Associates, certificate or licensure. For Civilians, Family Members, and Soldiers, there is the Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov and literary 100's of additional scholarship opportunities that can be viewed on our homepage at www.riley.army.mil/UnitPage.aspx?unit=DHR.Educ&nav=Svcs-Ed1

Stop by Education Services and speak with a counselor to get more information. Education can literally place you a cut above your peers!

CLOSED!!!

Due to restructuring and staffing constraints, Education Services has closed the Multi-Learning Facility in Building 7604 as of 5 Jun 2012. If you have any materials checked out, we would greatly appreciate it if you could return the items to our Main Post Education Center at your earliest convenience.

Q: Why is it important to have a GT score of at least a 110?

A: Having a GT score of 110 or higher, increases your chances of being able to reclassify into a new MOS, or be eligible to apply for Green to Gold, Warrant Officer Candidate School, or Special Forces. Most of these programs do not authorize GT score waivers which makes it important to have a GT score of at least 110. For your convenience, we offer GT improvement classes, every month throughout the year, running 3 weeks long with the option of either attending:

- Morning session from 9 am to 12 noon
- Afternoon session from 1 to 4 pm
- Classes are held in BLDG 8044

Test for Adult Basic Education (TABE) test is required before entering into a class.
