Wreaths Across America Ceremony

Post Cemetery, Huebner Rd

December 15, 2012

11 AM

Wreaths Across America is a nonprofit organization founded to continue and expand the annual wreath laying ceremony at Arlington National Cemetery begun by Maine businessman, Morrill Worcester, in 1992.

Our mission, Remember, Honor, Teach, is carried out in part by coordinating wreath laying ceremonies a specified Saturday in December at Arlington, as well as veterans' cemeteries and other locations in all 50 states and beyond. We also organize a week of events including international veteran's tributes, ceremonies at State Houses and a week-long "Veteran's Parade" between Maine and Virginia where we stop along the way to spread our message about the importance of remembering our fallen heroes, honoring those who serve, and teaching our children about the sacrifices made by veterans and their families to preserve our freedoms.

This week of events is made possible by thousands of volunteers who organize local ceremonies, raise funds to sponsor wreaths, and participate in the events. We receive no government funding. The cost of our programs is paid by individual wreaths sponsors, **corporate donors** and **volunteer truckers**.

We also coordinate veteran services and recognition through a variety of programs, and provide schools with teaching aides for projects throughout the year.
