

SCHOOL BUS SAFETY #1

**Wait for the bus well back from the road.
Approach the bus only when the door is
opened.**

SCHOOL BUS SAFETY #2

Japanese Law does not require drivers off-base to stop for school buses. Students must wait for the bus to depart and then cross the street only when safe.

SCHOOL BUS SAFETY #6

STAY ON *the* **BUS**

if:

- You do not know the way home**
- No one is home to meet you**
- You are scared to get off for any reason**

**The bus will bring you
safely back to school**
