Guidance on School Supplies

The list provided on the back of this official DoDEA list provides additional guidance by grade level.

The approved list (above), available on the pac.dodea.com website, may be confusing for some so we'd like to offer a little guidance to assist parents.

* Round tip scissors are the preferred scissor.

* Primary teachers (Kindergarten through grade 2) use about 3 primary composition books per year.

* Intermediate grades (3-6) use about 4 of the regular wide ruled composition books per year. Most Intermediate grades use 1-2 packages of notebook paper, and they only use wide rule at that level.

* There are a few teachers who use spiral notebooks, but all teachers use 3-5 plastic pocket folders per year.

* 6th grade is considered Middle School and will be using USB drives this year,

* **PE teachers ask for non-marking soles on the PE shoes.**
