post has been built in the Monino area for the PVO. This facility was under construction for five years, and it was very expensive; a large number of administrative and residential buildings have also been built in the Monino area.

3. The command post of the Commander of Moscow Military District PVO, Colonel-General Batitskiy, is still in the Moscow University Buildings in Lenin Hills.

1. [REDACTED] Comment: This is probably Colonel-General of Aviation I. Podgorny, who wrote an article on fundamentals of antimissile defense in the 1962 First Issue of the TOP SECRET version of Military Thought.
