ADVISORY: UNEMPLOYMENT INSURANCE PROGRAM LETTER NO. 20-10

TO: STATE WORKFORCE AGENCIES

FROM: JANE OATES /s/
Assistant Secretary

SUBJECT: ET Handbook 401, 4th Edition, Change 2 – Revision to ETA 191, Statement of Expenditures and Financial Adjustments of Federal Funds for Unemployment Compensation for Federal Employees and Ex-Servicemembers (UCFE/UCX)

1. Purpose. To provide updated pages for the ETA 191, Statement of Expenditures and Financial Adjustments of Federal Funds for Unemployment Compensation for Federal Employees and Ex-Servicemembers (UCFE/UCX), ET Handbook No. 401, 4th Edition.
2. Background. The Unemployment Compensation for Federal Employees (UCFE) law and the Unemployment Compensation for Ex-Servicemembers (UCX) law both require each employing Federal agency to pay the costs of regular and extended UCFE/UCX benefits paid to its former employees by state workforce agencies (5 U.S.C. 8501-8509). The ETA 191 report provides quarterly information reflecting the amount of benefits that should be charged to each Federal employing agency. A three-digit numerical code identifying each Federal agency has been assigned by the Department of Labor (the Department). States use these code numbers when they transmit the ETA 191 report to the Department for unemployment compensation paid to former Federal employees and ex-servivemembers. In addition, the reporting instructions in section F(1)(a) have been revised to include language clarifying the Federal agencies liability for extended benefits paid to ex-federal employees and ex-servicemembers.
