Re: Comments to the Science Advisory Board

Dear Ms. Beckman:

This letter is in response to the Office of Justice Program's *Federal Register* notice of June 4, 2012 which directed that "Persons interested in communicating with the [Science Advisory] Board should submit their written comments to the DFO." Attached herewith is a paper titled: "The Need for Government-Sponsored Scientific Studies of The Adverse Health Effects of Counterfeit Cigarettes".

By this letter, I am also requesting to register to attend the Science Advisory Board meeting on June 21st on behalf of the Center for Regulatory Effectiveness. I am a US citizen. For additional information about CRE, please see, http://www.thecre.com/oira/?page_id=8.
