Dear Mr. Franklin

With regard to our selection of a VSTL, I am requesting a telephone call with Mr. Hancock to discuss why we are going to change our ITA from wyle to SLI Global. Please advise if and when we can discuss this situation with Mr.. Hancock.

Regards

Ms. Mustatea,

Please see the language below about changing VSTLs from the **EAC Testing and Certification Program Manual**.

4.3.1.2

Selection of Accredited Laboratory. Selection and identification of the VSTL that will perform voting system testing and other prescribed laboratory action consistent with the requirements of this Manual. Once selected, a Manufacturer may NOT replace the selected VSTL without the express written consent of the Program Director. Such permission will be granted solely at the discretion of the Program Director and only upon demonstration of good cause.

Have a great day,
