Re: Election Management System Suite, version 3.0 to the 2002 VSS

Dear Ms. Otero,

Unisyn Voting Solutions formally requests that the application to test our Election Management System Suite, Version 3.0 at Systest Labs be terminated. We will continue to test our OpenElect product suite under a separate application through Wyle Labs.

If you have any questions or need further information about this matter, please do not hesitate to contact us at your earliest convenience. We thank you in advance for your cooperation in this matter.

Sincerely,
