CREWS CONTINUE TO FIGHT WILDFIRE AT THE NEVADA NATIONAL SECURITY SITE

North Las Vegas – Current information on the wildfires at the Nevada National Security Site (NNSS), which is located 65 miles northwest of Las Vegas, Nev.:

NEW INFORMATION

- The Timber Fire (located in Area 18 and 30) is the fire of concern and resources are focused on it
- The Weston Fire has minor hot spots, is not advancing and containment lines are being placed around the burned areas
- 6,000+ total acres have burned

PREVIOUS INFORMATION

- All personnel have been accounted for
- NNSS Fire and Rescue are responding with assistance from Bureau of Land Management (BLM)
- No infrastructure has been impacted
- Lightning caused
- Located in a remote area of the 1,360-square-mile site
- Access to roads in Area 25 (southwestern portion of site) is restricted

This is what we know to be the most current information at this time. Additional information will be provided as it becomes available.
