December 22, 2011,

NNSS Security Contract Awarded;
G4S Government Solutions, Inc.

The U.S. Department of Energy's National Nuclear Security Administration (NNSA) has selected G4S Government Solutions, Inc., formerly Wackenhut Services, Inc., for award of a contract for security protective force and system services at the Nevada National Security Site (NNSS) and the NNSA Nevada Site Office. The contract has an estimated value of \$233.9 million. The term of the contract is for an initial 3-year period and 2 one-year option periods.

G4S Government Solutions, Inc. will be responsible for providing security related work at the NNSS and for Nevada Site Office operated facilities in North Las Vegas and Nellis Air Force Base. This includes facility protection, patrol services, and protection of nuclear materials associated with the national stockpile experiments and criticality safety training conducted at the NNSS.

Anticipated award date of this contract will be January 1, 2012. G4S Government Solutions, Inc. has teamed with Lockheed Martin Corporation, Pro2Serve and Longenecker & Associates. Under this arrangement, Lockheed Martin Corporation will provide electronic security systems support, Pro2Serve will provide security systems engineering and Longenecker & Associates will provide services in the area of contractor assurance.
