UPDATE

CREWS FIGHTING WILDFIRE AT THE NEVADA NATIONAL SECURITY SITE

North Las Vegas – Current information on the wildfire at the Nevada National Security Site (NNSS):

NEW INFORMATION

- Fire named *Gritty Gulch* Fire
- Approximately 29 acres burned
- Bureau of Land Management is conducting slurry air drops to surround the fire
- The fire does not appear to be advancing

PREVIOUS INFORMATION

- Located in a remote area (Area 19) of the 1,360-square-mile site
- Fire most likely started from lightning strike last week
- All personnel have been accounted for
- NNSS Fire and Rescue and Bureau of Land Management (BLM) responding
- There is no road access in the area; crews will fight the fire from the air
- No infrastructure has been impacted
- There is no contamination in the area

This is what we know to be the most current information at this time. Additional information will be provided as it becomes available.
