WILDFIRES REPORTED AT THE NEVADA NATIONAL SECURITY SITE

North Las Vegas – Current information on the wildfires at the Nevada National Security Site (NNSS):

NEW INFORMATION

- Two fires are currently active on the western portion of the NNSS
- 2,000+ total acres have burned

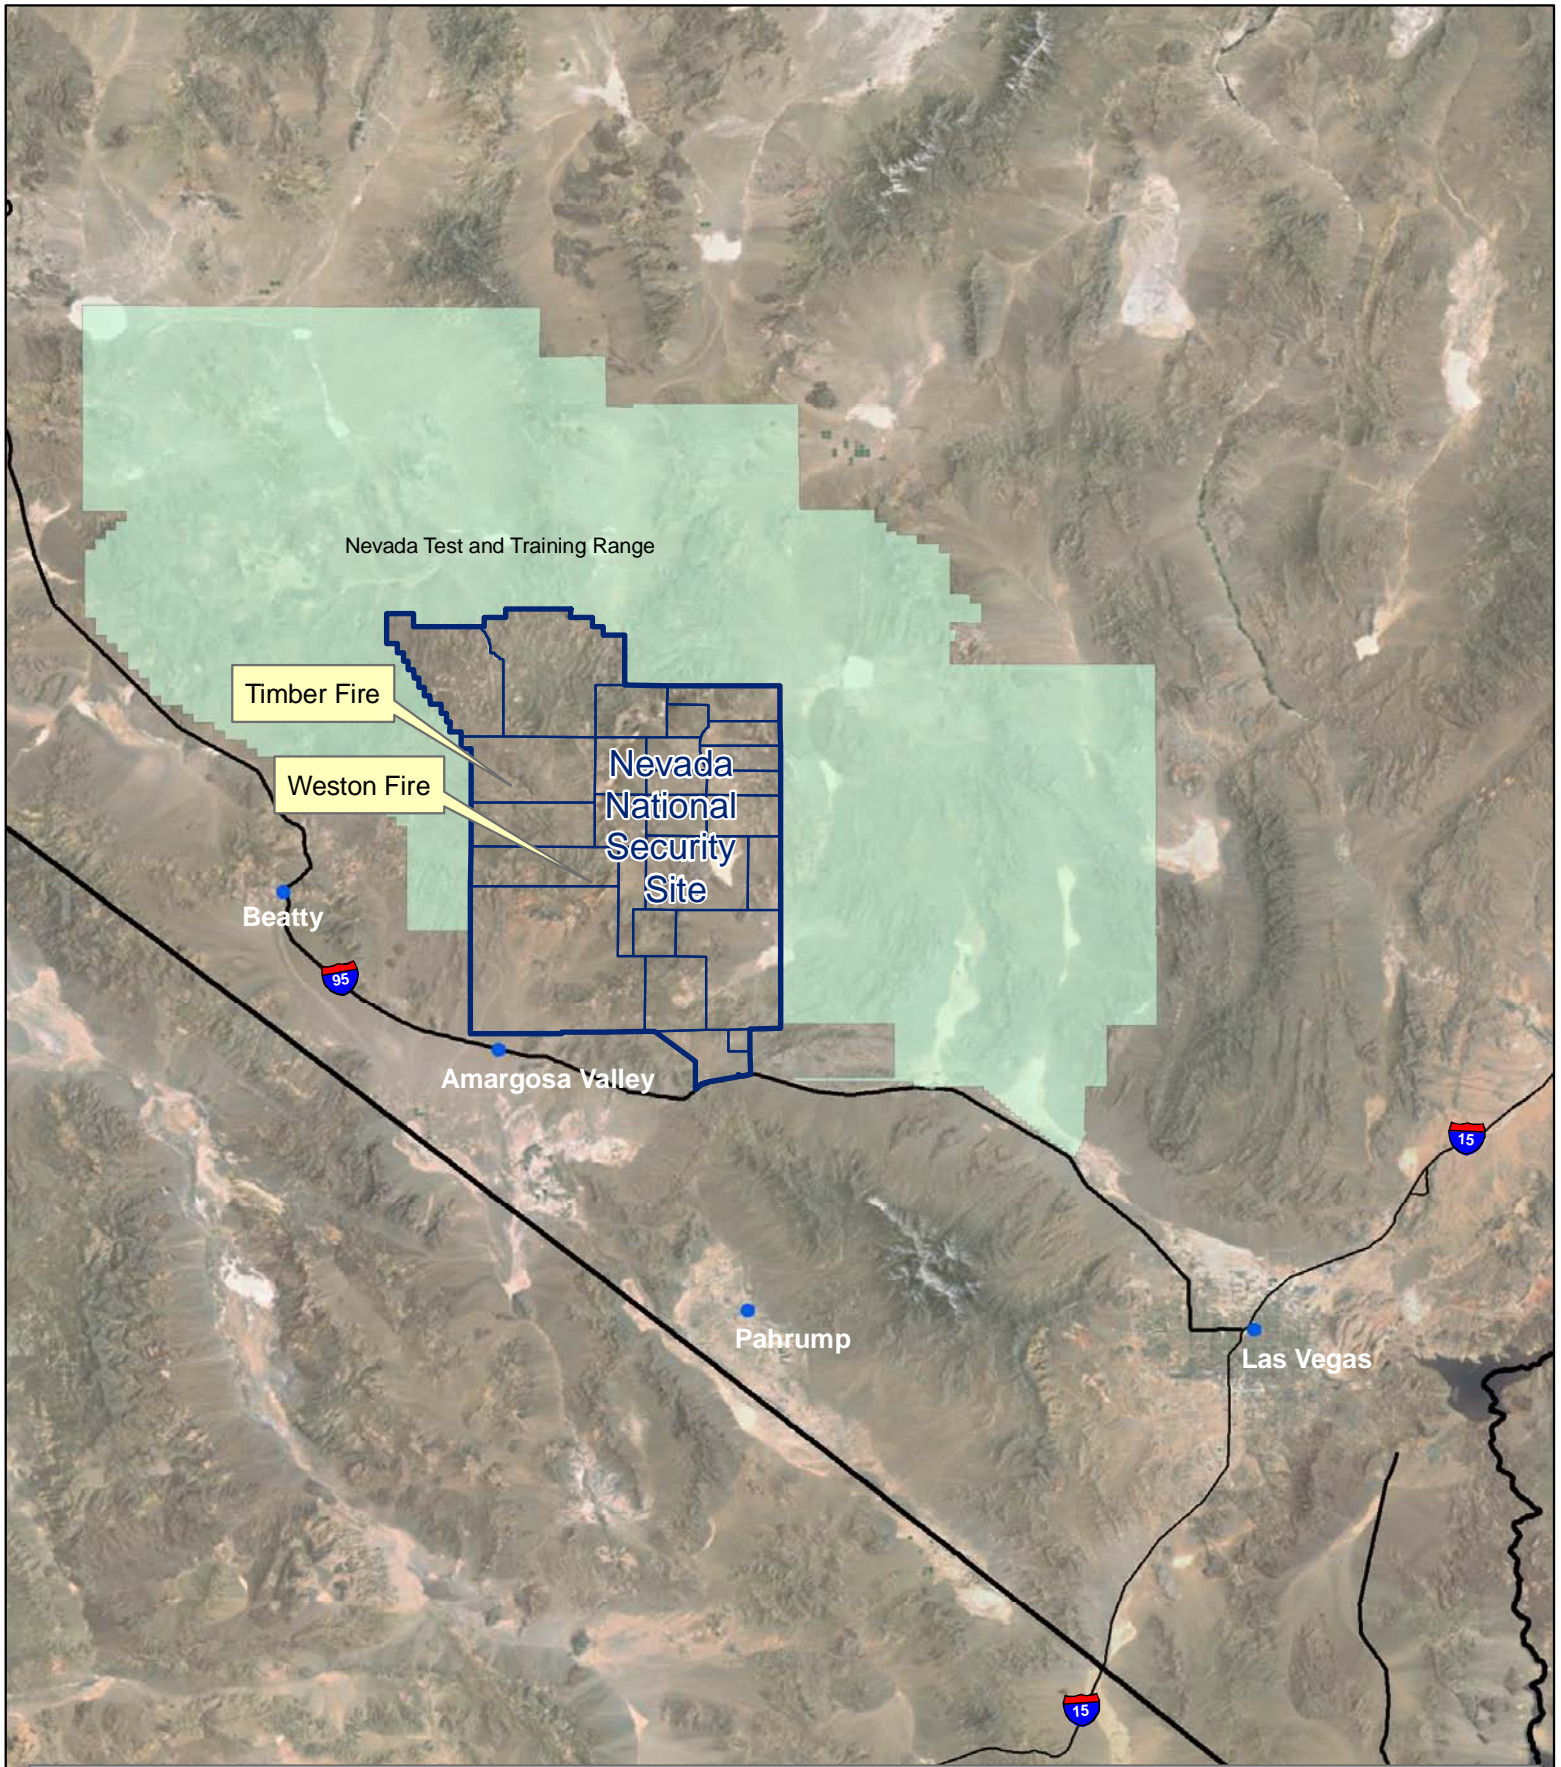

PREVIOUS INFORMATION

- All personnel have been accounted for
- NNSS Fire and Rescue are responding with assistance from Bureau of Land Management (BLM)
- No infrastructure has been impacted
- Located in a remote area of the 1,360-square-mile site
- Access to roads in Area 25 (southwestern portion of site) is restricted

This is what we know to be the most current information at this time. Additional information will be provided as it becomes available.
