### **WILDFIRES REPORTED AT THE NEVADA NATIONAL SECURITY SITE**

**North Las Vegas** – Current information on the wildfires at the Nevada National Security Site (NNSS):

- Located in a remote area of the 1,360-square-mile site.
- 1,000+ acres have burned.
- All personnel have been accounted for.
- No infrastructure has been impacted.
- NNSS Fire and Rescue are responding with assistance from Bureau of Land Management (BLM).
- Access to roads in Area 25 (southwestern portion of site) is restricted.

This is what we know to be the most current information at this time. Additional information will be provided as it becomes available.
