Closing Agreement on Final Determination Covering Specific Matters

▶ *File this Closing Agreement in **Duplicate** (see instructions).*

Name of shareholder	Identifying number (see instructions)
---------------------	---------------------------------------

Under section 7121 of the Internal Revenue Code of 1986, as amended (“the Code”), the shareholder filing this Form 8621-A (“Shareholder”), and the Commissioner of Internal Revenue (“Commissioner”) hereby make the following closing agreement (“Closing Agreement”).

WHEREAS, Shareholder is requesting consent to make the election specified in Part I of this Form 8621-A with respect to the PFIC specified on page 1 of this Form 8621-A (“Corporation”).

WHEREAS, Shareholder has completed ALL of the applicable information requested on pages 1 and 2 of this Form 8621-A, which is incorporated into this closing agreement by reference.

WHEREAS, under Temporary Regulations section 1.1298-3T(e)(1) and Temporary Regulations section 1.1297-3T(e)(1), the Commissioner may grant consent to make a late purging election if (1) Shareholder requests consent to make such election before a representative of the Internal Revenue Service raises upon audit the PFIC status of the foreign corporation for any taxable year of Shareholder; (2) Shareholder has agreed in a closing agreement with the Commissioner to eliminate any prejudice to the interests of the U.S. Government as a consequence of Shareholder’s inability to file amended returns for the taxable year in which the CFC qualification date or termination date, as applicable, falls, or an earlier closed taxable year in which Shareholder has taken a position that is inconsistent with the treatment of the Corporation as a PFIC; and (3) Shareholder satisfies the procedural requirements set forth in Temporary Regulations section 1.1298-3T(e)(3) or Temporary Regulations section 1.1297-3T(e)(3).

WHEREAS, Temporary Regulations section 1.1298-3T(e)(2) and Temporary Regulations section 1.1297-3T(e)(2) provide that the interests of the U.S. Government are prejudiced if granting relief would result in Shareholder having a lower tax liability (other than by a de minimis amount), taking into account applicable interest charges, for the taxable year that includes the CFC qualification date or termination date, as applicable (or a prior taxable year in which Shareholder took a position on a return that was inconsistent with the treatment of the Corporation as a PFIC), than Shareholder would have had if Shareholder had properly made the section 1298(b)(1) election in the time prescribed in Regulations sections 1.1298-3(b)(3) or (c)(4) or Temporary Regulations sections 1.1297-3T(b)(3) or (c)(4) or had not taken a position in a return for an earlier year that was inconsistent with the status of the Corporation as a PFIC.

THEREFORE, based on the material submitted by Shareholder in connection with this Closing Agreement, and in the absence of other material factual or legal circumstances concerning the events described above, it is determined and agreed for federal income tax purposes that—

1. The Commissioner grants Shareholder permission to make the election specified in Part I of this Form 8621-A with respect to Corporation.
2. If Shareholder had made a timely election for the Election Year for Corporation, it would have had an increase in tax for the Election Year in the amounts shown in Part IV of this Form 8621-A. Therefore, the payment of the amount shown on line 21 of this Form 8621-A is sufficient to eliminate any prejudice to the interest of the U.S. Government as a result of Taxpayer’s inability to file a return for the Election Year, a closed taxable year.
3. Shareholder’s basis in the stock of Corporation will be increased by the amount of the gain resulting from the deemed sale election shown on line 4 or line 8 of this Form 8621-A or the amount of the deemed dividend resulting from the deemed dividend election shown on line 3 or line 7 of this Form 8621-A.
4. This Closing Agreement constitutes a resolution under the Code of the specific matters discussed herein. No inference shall be made with respect to whether this resolution satisfies other federal law.
5. Shareholder understands that Shareholder may have defenses to the collection of tax described in the preceding paragraphs. Nevertheless, Shareholder voluntarily waives all defenses to the assessment and collection of tax, penalties, and interest described in the preceding paragraphs, including any defenses based on the expiration of the period of limitations on assessment or collection.

NOW THIS CLOSING AGREEMENT WITNESSETH, that Shareholder and the Commissioner hereby mutually agree to the determinations set forth above and further mutually agree that those determinations shall be final and conclusive, subject, however, to reopening in the event of fraud, malfeasance, or misrepresentation of material fact, and provided that any change or modification of applicable statutes or tax conventions shall render this Closing Agreement ineffective to the extent that it is dependent upon such statutes or tax conventions.

IN WITNESS WHEREOF, by signing the foregoing, the above parties signify that they have read and agreed to the terms of this document.
