Should the ordinance conflict with the terms of this Compact, the Compact will govern. - a. Procedure. In the event of an alleged personal injury or property damage suffered by a patron of the Gaming Facility, or in the event of a dispute between a patron and

the Gaming Facility regarding the payment of bet or distribution of winnings, the patron may make a claim against the Gaming Facility as follows:

(1) **Making Claim.** Any patron having a claim against the gaming facility shall present a claim for any appropriate relief including the award of money damages. Claims against the gaming enterprise are to be presented within ninety (90) days of the date the loss occurs. In the event a claim is not presented following ninety (90) days after the loss occurs, but within one (1) year after the loss occurs, any judgment in a lawsuit arising from the act which is the subject of the claim shall be reduced by ten (10) percent. A claim against the gaming enterprise shall be forever barred unless notice thereof is presented within one (1) year after the loss occurs. A claim against the gaming facility shall be in writing and filed with the Eastern Shawnee Gaming Commissioner at the address of the gaming facility. Notices explaining this procedure is the exclusive method of making a claim or registering a patron dispute about payment of a bet or a distribution of winnings. Such notices shall explain that upon denial of a claim, redress must be sought exclusively in Tribe's Courts.

(2) **Notice.** The written notice of claims against the gaming facility shall state the date, time, place and circumstances of the claim, the identify of the persons, if known, the amount of compensation or other relief sought, the name, address and telephone number of the claimant, and the name, address and telephone number of any agent authorized to settle the claim including a written copy of the authority of agent.

(3) **Denial.** A claim is deemed denied if the gaming facility fails to approve the claim in its entirety within ninety (90) days of receipt, unless the interested parties have reached a settlement before the expiration of that period. A person may not initiate suit unless the claim has been denied in whole or in part. The claimant and the gaming facility may continue attempts to settle a claim; however, settlement negotiations do not extend the date of denial.

(4) **Limitations.** No action for any cause arising from personal injury, property damage, or patron gaming dispute shall be maintained unless valid notice has been given and the action is commenced in a Tribe's CFR court within 180 days after denial of the claim as set forth herein. Neither the claimant nor the gaming facility may extend the time to commence an action by continuing to attempt settlement of the claim.

b. **Tort Claim.** During the term of this compact, the Tribe shall maintain public liability insurance with limits of not less than \$250,000 for any one person and \$2,000,000 for any one occurrence for personal injury and \$1,000,000 for any one occurrence for property damage. In order to properly monitor the gaming operation, agents of the OSBI and/or the OSF shall have reasonable access to all areas of the gaming facility for off-track wagering during normal operating hours after giving notice to the gaming facility manager and the Eastern Shawnee Gaming Commissioner or his designee; provided, however, the monitoring activities of these agents shall not interfere with the normal functioning of the gaming operation, and OSBI and OSF shall provide proper photographic identification to any Tribe representatives requesting the same.

- a. Voluntary Resolution. The party asserting non-compliance or seeking an interpretation shall serve written notice on the other party. The notice shall identify the specific Compact provision alleged to have been violated or in dispute and shall specify in detail the factual basis for the alleged non-compliance or the Compact provision for which interpretation is sought. In the event that a court of competent jurisdiction shall find any provision, section or subsection of this Compact to be invalid, the remaining provisions, sections and subsections of the Compact shall remain in full force and effect, unless the invalid provision materially alters the relationship between the parties. The amendment or modification request may include requests for approval of gaming activities that are legitimately within the scope of the Act. 4. Gaming Facility employees are prohibited from wagering on events while on duty.

C. COMPUTER SYSTEM:

The main processors consist of three DEC 4000 Series 90 central processing units operating in triplex or other suitable computer substitutes. These central processing units are located at suitable locations by the simulcast signal provider with telecommunication links to peripheral terminals located at the Tribe Gaming Facility or at some other suitable and securely equivalent location.

The systems provide hard disk storage in the form of dual-disk disk drives of 2.1 gigabytes each, and 2.1 gigabytes of magnetic tape for backup data or some other storage of similar or greater capacity.

Program source code shall not be available to Gaming Facility employees, or to Tribe's data processing employees.

Access to the main processors located at the source location is limited to authorized simulcast provider personnel or substitute entity personnel from the signal source locations.

The pari-mutual system will be connected to the Gaming Facility via a dedicated telephone line or other acceptable communication system. Access through a dial-up modem or other suitable alternative will be available in case the leased dedicated telephone line becomes inoperative.

Writer/cashier terminals and screen activated machines (SAMs) will be furnished to the Gaming Facility by source location. Access to writer/cashier terminals will be restricted to writers/cashiers. This restriction will be provided by requiring operator number and passwords to log on to the system. Writer/cashier operator numbers will be issued by source location. Passwords for writers/cashiers will remain confidential, known only by the writer/cashier. Passwords for writers/cashiers will be changed at least quarterly.

Supervisor and accounting personnel operator numbers and passwords will be issued by source location. These passwords will be changed at least quarterly.

Nothing here shall prevent the Tribe from providing an alternative computer system provided that the protection it maintains for the Tribe and it's patrons is similar to those provided by the described system and source location.

D. OPENING/CLOSING PROCEDURES:

1. Opening Procedure

Ticket writer/cashier receives his/her starting bank from the cage.

Ticket writer/cashier verifies funds and enters the amount on a log. The writer/cashier signs the log.

Upon completion of bank opening procedures, the writer/cashier will sign on to the system by inputting his operator code and password. The system will print a sign-on ticket that will contain the following information: "sign-on" designation, Gaming Center name, date, time, station number and operator number.

2. Closing Procedures

When the writer/cashier closes his/her pari-mutual station, a sign-off ticket and a summary ticket will be printed by the terminal. The sign-off ticket will contain the following information: sign-off designation, Gaming Facility name, date, time, station number and operator number. The summary ticket will contain the following information: Gaming Facility name, date, time, station number, operator number, take (sales), voids (cancels), paid (cash), the IRS withholding amount, and beginning bank (draw). Information on cash turn-ins (cash balance) will only be available to the book supervisor via password access. The cash drawer is then counted by the cashier/writer and the shift supervisor. Both sign the count sheet. The computer terminal is accessed to determine the writer's total cash balance. This is compared to the count sheet and variations are investigated.

Once verified, a manual cash -in slip is created and signed by both the writer/cashier and the shift supervisor, the writer/cashier will proceed to the slot cage and will turn in their funds.

E. BETTING/TICKET ISSUANCE AND CONTROLS:

Betting tickets shall be in single part form. The original is given to the customer. A second "copy" is retained internally within the computer system and is not accessible by Pari-Mutual Gaming Facility personnel.

The computer system prints a number on each ticket which identifies each writer station.

Only one random numerical computer-assigned series per station shall be used at one time.

Unused tickets will be stored in the Pari-Mutual Gaming Facility storage room. These forms are serially numbered by the computer and do not require the "sensitive" forms inventory control procedures.

The computer system will not allow a ticket to be voided after a race event is locked out.

All bets will be made in cash or chips and shall be evidenced by the issuance of a ticket upon acceptance of a wager.

Tickets will not be written or voided after the outcome of an event is known.

F. SCREEN ACTIVATED MACHINE

1. The screen activated machine (SAM) is a self-service betting machine which allows customers to place wagers using a winning ticket or voucher generated by the system.
2. The customer must insert a voucher or winning ticket for the SAM to accept a wager. Wagers will be made by keying in the amount of the bet, the type of bet, and the horse or horses selected. After the selection process is complete, the SAM will print a bet ticket. The SAM will print a bet ticket. The SAM will, for the remaining balance owed, if any, voucher will contain the serial number, and SAM number. This information will be on the voucher. Once the wager is placed, the voucher can be used to place additional wagers for cash.
3. When a patron wishes to redeem a voucher, the writer/cashier will insert it into the bar code reader. The computer will then generate a paid ticket and the writer/cashier will pay the patron. All other procedures described concerning payouts on winning wagers will be compiled with as applicable.
4. Outstanding vouchers will be listed on the Outsbook Voucher Report. Vouchers outstanding more than a specified number of days will be purged by the Systems Operator.
5. All winning tickets and vouchers inserted into the SAM will be deposited automatically into a locked box in the machine. On a daily basis, an accounting representative will check out the key to the lock boxes to remove the tickets and vouchers. The key will be at a department independent of the Pari-Mutual Gaming Center and will require signing a log to access. After the accounting representative obtains the tickets and vouchers, he or she will immediately deliver them to accounting.
6. Voids will not be allowed at a SAM. Additionally, winning tickets that require IRS withholding will not be paid at the SAM.

G. PAYMENT OF WINNING WAGERS:

Upon presentation of a winning ticket by a customer, the writer/cashier will insert the ticket in to the bar code reader for verification and payment authorization the system

will brand the ticket with the payout amount, writer/cashier's station number and date. Information on all winning tickets paid will be retained by the system.

Should the bar code reader fail to read a ticket, the writer/cashier will manually enter the ticket number into the terminal. A payout will then be printed which will include the following information: ticket number, "pay" indication, Gaming Facility name, pay amount, date, station number, and operator number.

The computer software is designed to prevent payment of a ticket that has been previously paid by the system, voided by the system, a losing ticket, or a ticket not issued by the system.

Payoffs over \$10,000.00 may be delayed for up to 24 hours after the next banking day.

For winnings requiring the completion of a form W-2G, the computer system will preclude a writer/cashier from making payment until the patron's social security number is entered. Once the social security number is entered, the computer will compute the amount of withholding and the amount of customer payment. The system will not pay a winning ticket, which requires IRS withholding, unless the customer provides his/her social security number at the time of payment. The system will calculate the withholding amount and the net amount due to the customer, which will both be printed on the ticket. This will alert the writer/cashier and the supervisor to complete the required IRS forms. Persons who do not have social security numbers may receive winnings from the manager after complying with federal tax requirements.
