OFFICE OF THE SECRETARY
Washington, D.C. 20240

JAN 22 1999

Honorable Jacob Lonetree
President, Ho-Chunk Nation
P.O. Box 667
Black River Falls, Wisconsin 54615

Dear President Lonetree:

We are in receipt of the Amendments to the Ho-Chunk Nation (Tribe) and the State of Wisconsin (State) Gaming Compact of 1992 dated December 11, 1998. We have completed our review of these Amendments and conclude that they do not violate the Indian Gaming Regulatory Act of 1988 (IGRA), Federal law, or our trust responsibility. Therefore, pursuant to Section 11(d)(8)(A) of IGRA, 25 U.S.C. § 2710(d)(8)(A) and delegated authority in 209 DM 8.1, we approve the Amendments. The Amendments shall take effect when the notice of our approval, pursuant to Section 11 (d)(3)(B) of IGRA, 25 U.S.C. § 2710(d)(3)(B), is published in the FEDERAL REGISTER.

We note that the Amendments (Section XXXIV of the Compact) memorialize that the Tribe and State agree to discuss modification of the Compact should the State enact a law which purports to impose a tax, fee, assessment or other charge directly on the Tribe's Class III gaming revenues, or a tax on winnings generated at a Class III gaming facility. Our approval of these Amendments should not be construed as, and is not, authorization for the State to impose such taxes, fees, assessments or charges.

We wish the Tribe and the State success in their economic venture.

Sincerely,

/s/ Kevin Connors

Acting Assistant Secretary - Indian Affairs

The State and the Nation do hereby agree to amend the Compact as set forth below:

1. The term of the Compact shall, pursuant to Section XXVI.B. be extended for a term of five (5) years, from June 11, 1999 to June 11, 2004, subject to further extensions as provided therein. No person under the age of 21 shall be permitted access to any portion of any facility in which any Class III game is conducted, except for purposes of employment pursuant to Section V.B., or to gain access to the Nation's non-Class III gaming facilities.

The amendments to Section V.A. shall take effect on June 30, 1999.

The parties shall meet to negotiate revisions to address such objection as may be raised. If a mutually satisfactory solution is not achieved within thirty (30) days of the Secretary's action, either party may during the sixty (60) day period thereafter serve upon the other a notice of nonrenewal of Compact. The Nation shall offer to work with the other Wisconsin Nations to establish the program guidelines and eligibility criteria. The program shall not require the Nation to make more than one (1) monetary contribution to finance the program. The program guidelines shall be developed by the Nation and submitted to the State on or before March 31, 1999.

10. Section XXXVII. of the Compact is created as follows:

As express and unique consideration for this promise made by the State, the Nation waives its rights to conduct Class II gaming, and agrees not to conduct Class II gaming, at all locations in the State except for the locations at which the Nation is currently conducting Class II gaming as identified in the records of the Department of Administration, Division of Gaming, and two counties in the State to be determined by the Nation.

**MEMORANDUM OF UNDERSTANDING
REGARDING TECHNICAL MATTERS**

Whereas, the State of Wisconsin ("State") and the Ho-Chunk Nation ("Nation") have executed amendments to the Wisconsin Winnebago Tribe and the State of Wisconsin Gaming Compact of 1992, and

Whereas, the State and the Nation desire to execute this Memorandum contemporaneous with the Compact Amendments and incorporate this Memorandum into the Compact Amendments, and

Whereas, the State and the Nation agree that the revisions contained herein will enable both parties to more effectively and efficiently perform the respective responsibilities regarding the Nation's Class III gaming operation, to the benefit of both parties,

The parties hereby agree that the following terms and provisions are incorporated by reference into the Amendments to the Wisconsin Winnebago Nation of Wisconsin and the State of Wisconsin Gaming Compact of 1992.

1. The Nation shall utilize in its Class III gaming operations minimum internal control standards at least as restrictive as those adopted by National Indian Gaming Commission as set out in 25 C.F.R. Part 542. For any period of time during which this Memorandum is effective and these minimum internal control standards are not finally and effectively promulgated as federal regulations, the Nation shall use minimum internal control standards at least as restrictive as those adopted by the National Indian Gaming Association. In the event any provision of the minimum internal control standards conflicts with the provisions of this Compact, the terms of the Compact shall control. The Department of Administration, Division of Gaming ("Department") and the Nation may designate, in writing, minimum internal control standards which conflict with the Compact as acceptable for use in the Nation's Class III gaming facilities. In the event the Department enters into such written designation the written designation shall constitute a waiver, for a duration specified in the written designation, of the State's ability to allege compliance with the designated minimum internal control standard as a violation of the Compact.
2. In order to more effectively provide the Department with access to the Nation's slot accounting data generated by the slot accounting system described at Section XV.D. 7.(c) of the Compact, the Nation agrees to provide a stand-alone computer with modem at each Class III gaming facility to enable dial-in access to a secure computer. The Nation agrees to provide electronic reports or data, in batch format, which shall be composed of:
 - A. The Nation's Daily Net Win Report (Denomination Summary), as reconciled by the Nation's Revenue Audit Department on a daily basis - including hard/soft drop totals, jackpot, fill and net win (summarized by denomination) and summary of reconciled events to arrive at net win.

- B. The Nation's Weekly Active Detail Report (Individual Machine Listing), including hard/drop totals, drop variance, jackpots, fills, net win, par percentage, actual percentage and variance percentages (listed by Tribal ID Number with month to date, year to date and life to date totals).
- C. A Daily Meter Summary report which shall include the end of period meter readings for all electronic meters monitored by the slot accounting system for each electronic game of chance.
- D. The Nation will provide a Weekly Exception Report Summary.

The Nation will copy the above data to the stand-alone computer on a daily and weekly basis for the Department.

In the event additional data is requested said request shall be in writing and submitted to the Ho-Chunk Nation Gaming Commission Chairperson. The Nation shall submit the data to the Department via computer hook up within 48 hours of the request or provide an explanation as to why the data can not be submitted within the established timeframe.

Access to the above information shall be by means of a dial-up basis and shall require dial back mechanisms restricted to a dedicated phone line as well as passwords, which are changed intermittently. The stand alone computer station utilized by the Department to access this information shall be in a secure room whose access is limited to individuals whose duties and responsibilities include monitoring Tribal compliance with the Compact.

In the event that an upgrade or maintenance involves a function affecting the information reported to the State pursuant to this section, the Nation shall notify the State at least 24 hours prior to performing the upgrade or maintenance. The Nation and the Department may agree in writing to implement alternative electronic mechanisms for the submission of the slot accounting data and reports. Electronic game of chance notifications shall be submitted electronically. The serial number required by Section XV.C. of the Compact may be provided to the Department at any time prior to installation.

All data provided pursuant to this section shall be treated as confidential pursuant to Section X.B. of the Compact and such data shall not be disclosed in the form of statewide aggregate totals without the permission of the Nation. Nothing in this paragraph shall be interpreted to provide real-time access directly to the Nation's on-line slot accounting system.

- X 3. Temporary Certification. The Department shall have the authority to grant a temporary certificate to a gaming-related contractor applicant that has met criteria determined by the Department. An application shall not be considered complete until all information requested by the Department has been supplied. Within sixty (60) days of the Department's receipt of a completed application and upon receipt of a written request by the Nation, the Department may issue a temporary certificate if all criteria are met. The temporary certificate shall become void upon the issuance, denial or revocation of a

gaming-related contractor certificate in accordance with the provisions of this Compact. If after receiving temporary certification, the Department finds cause to deny the contractor a certificate, any contract entered into by that contractor and the Nation shall be considered null and void, and all consideration received by the contractor returned to the Nation provided, however, that to the extent that any such consideration was paid for any goods or services previously consumed by the Nation, the Nation shall not be under any obligation to return the subject goods or services and the vendor shall not be responsible for returning the consideration received therefor. If after receiving temporary certification, the Department finds cause to deny the contractor a certificate, the Department may issue a forfeiture of up to 50% of the consideration received by the vendor while doing business in Wisconsin pursuant to a temporary certificate if the temporary certificate holder, its officers, directors, employees or agents provided materially false and misleading information, or failed to disclose material information required by the Department to be disclosed, and the Department relied on the disclosure or failure to disclose in granting the temporary certificate.

- A. The applicant may be granted a temporary certificate provided that the applicant is in compliance with all of the following criteria:
- (1) The Applicant has submitted an application which has been determined to be complete by the Division;
 - (2) No adverse information has been received by the Division in response to initial background searches; and

4. The Nation shall provide any necessary authorization for either the Department or the State Treasurer to initiate ACH (Automated Clearinghouse) debit entries from an account(s) and financial institution(s) specified by the Nation. The electronic transfer of funds shall be solely for the purpose of collecting monies due to the State of Wisconsin pursuant to Section XXV. and Section XXXIV. of the Wisconsin Winnebago Tribe and State of Wisconsin Gaming Compact, as amended. There shall be no minimum balance or other restriction on the specified accounts other than requirements applicable on the dates on which the payment is due to facilitate the funds transfer hereunder. Representatives from the Nation and the Department shall by March 1, 1999 cooperatively develop written procedures to be followed by the Department and the Nation in implementing the automated funds transfer specified herein.
