

United States Department of the Interior

OFFICE OF THE SECRETARY
Washington, D.C. 20240

JUL 30 1992

Honorable John R. Mann
Vice-Chairman, Wisconsin Winnebago Tribe
P.O. Box 667
Black River Falls, Wisconsin 54615

Dear Vice-Chairman Mann:

On June 19, 1992, we received the Wisconsin Winnebago Tribe (Tribe) and State of Wisconsin Gaming Compact of 1992, dated June 11, 1992, accompanied by Exhibit A, Tribal Resolution No. 6-10-92 B, and Exhibit B, identified as a list of mechanical games operated by the Tribe. Exhibit A contains the approval of the Business Committee for the tribal/state compact; authorizes Vice-Chairman John R. Mann to execute the contract; and requests approval by the Secretary of the Interior. Exhibit B, at this time, states "NONE." Pursuant to delegated authority and Section 11 of the Indian Gaming Regulatory Act (IGRA), 25 U.S.C. § 2710, we approve the compact.

The compact shall take effect when notice of approval is published in the FEDERAL REGISTER, pursuant to Section 11(d)(3)(B) of the IGRA. We have the following general comments on the compact.

We note that Subsection IX(B) of the compact, p. 11, authorizes the hiring of a convicted felon in the conduct of Class III gaming under certain circumstances. Although the inclusion of this provision does not require that we disapprove the compact, we could not approve a management contract based upon such a provision. This provision may also be unacceptable under the National Indian Gaming Commission (Commission) regulations when the Commission promulgates such regulations and assumes responsibility for approval of gaming contracts. See Memorandum dated March 26, 1992, from Assistant Solicitor, Branch of Tribal Government and Alaska, a copy of which is enclosed.

Subsection V(F) of the compact provides for the serving of alcoholic beverages at locations where authorized games are conducted. The Tribe does not currently have a valid liquor ordinance. The possession or sale of liquor in Indian country is a violation of Federal criminal law unless the liquor is sold in

compliance with a duly-adopted tribal ordinance authorizing such sale, certified by the Secretary of the Interior and published in the FEDERAL REGISTER. 25 U.S.C. § 1161. The Area Director, Minneapolis Area Office, can provide the necessary technical assistance.

The IGRA provides that any tribal-state compact for Class III gaming activity may provide for "the assessment by the State of such activities in such amounts as are necessary to defray the costs of regulating such activity. . . ." 25 U.S.C. §2710(d)(3)(C)(iii). The IGRA further provides that, except for such assessments, the IGRA does not confer on the State any authority to impose any tax, fee, charge or other assessment upon an Indian tribe for Class III gaming activity. Section XXV of the Compact provides for the reimbursement of state costs. The Compact provides that (1) for fiscal year ending June 30, 1992, the Tribe shall pay the State \$2083.33, (2) thereafter, until all tribes which requested negotiations have concluded compacts, the Tribe will pay \$25,000 per fiscal year, and (3) when all the tribes have concluded compacts, annual reimbursement will be based on each tribe's share of \$350,000, determined by each tribe's proportionate share of the gross annual gaming handle for all Class III gaming in the State of Wisconsin. Both the tribal attorney, Jim Townsend, and the attorney for the State, Michael Lethien, have informed us that both the Tribe and the State consider that a compact is "concluded" for the purposes of this provision when the Tribe and the State have signed the Compact. All tribes which requested negotiation have now concluded compacts. The \$25,000 provision will therefore never become applicable.

The annual total assessment of \$350,000 does not appear unreasonable for eleven tribes and for the degree of regulation proposed under the Compact. An additional issue is raised, however, by Subsection XXV(D) of the Compact, which provides that the Tribe "shall also directly reimburse the Department of Justice and the Lottery Board for their actual and necessary costs of providing services and assistance at the request of the Tribe." The tribal attorney and the state attorney have informed us that this provision allows the State to bill the Tribe only for additional services rendered at the request of the Tribe which are above and beyond the responsibilities of the State under the Compact, such as additional background investigations or audits. We have therefore concluded that the provision for reimbursement of state costs does not violate the IGRA.

Subsection XXIV(C) of the Compact provides that, for purposes of an action in Federal court for declaratory and injunctive relief, an allegation that an official or employee violated the compact shall be deemed "as an allegation that said official or employee is acting in excess of his/her authority for purposes of jurisdiction only." It is not certain that a court would accept jurisdiction under such an agreement. While the possible unenforceability of this provision does not require that we disapprove the Compact, we suggest that the Tribe consider the possibility of an amendment to the Compact setting forth specific mediation or

arbitration procedures.

For your information, Section 11(d) of the IGRA requires that the Chairman of the Commission approve tribal ordinances authorizing Class III gaming. The Commission has not yet issued final regulations governing such approvals. When those regulations are issued, you must submit the tribal ordinances to the Commission for approval.

We wish the Tribe and the State success in this economic venture.

Sincerely,

William D. Bettenberg

II. DECLARATION OF POLICIES AND PURPOSES. The State and the Tribe agree that this Compact is entered for the following purposes and is to be construed and implemented to give effect to these policies:

- A. To authorize the operation of certain Class III gaming by the Tribe on the Tribe's lands in the State of Wisconsin as a means of promoting Tribal economic development, self-sufficiency, and strong Tribal government;
- B. To assure that the Tribe's Class III games under this Compact are operated so as to protect against organized crime and other corrupt influences, and to assure that any Class III gaming is operated fairly and honestly by both the Tribe and by the players;
- C. To assure effective concurrent regulation by the Tribe and the State of gaming operated under this Compact as provided herein;
- D. To fulfill the purpose and intent of the Indian Gaming Regulatory Act by providing for certain Class III gaming operated by the Tribe as a means of generating Tribal revenues to fund programs that provide vital services to members of the Tribe, including education, health and human resources, and economic development for the benefit of the Tribe.

The State acknowledges that certain incidental activities involved in the Tribe's overall Class III gaming operations may take place outside of the Tribe's Lands including banking, accounting, monitoring, computing, and other activities incidental to the actual playing of the games by persons physically present on the Tribe's Lands, and that such incidental activities and ordinary and necessary telecommunications links to such activities shall not be considered to be gaming or any component thereof for purposes of this Compact.

- C. The Tribe may not operate any Class III gaming not expressly enumerated in this section of this Compact unless this Compact is amended pursuant to section XXX.
- D. In the event that the State, after the date on which this Compact becomes binding on the parties, commences actual operation, or licenses or permits the operation, of games not specifically enumerated under subsec. A. for governmental, charitable or commercial purposes, and other than games presently operated, licensed or permitted by the State, the Tribe may upon written notice to the State, commence operation of any such game(s) subject to the same State operational rules, procedures and requirements for such game(s) as they may from time-to-time be amended or revised by the State. A.1. through A.3., above, are included in procedures prescribed for another Wisconsin Indian tribe by the Secretary of the Interior pursuant to section 11 (d)(7)(B)(vii) of the Act, then this Compact shall be reopened on the written request of the Tribe, but only after the State and the other tribe have exhausted their remedies under the federal administrative

procedure act. Upon reopening, the State shall consent to amendments enumerating such game(s) in subsection A., above, and incorporating all the same procedures for such games as have been prescribed by the Secretary.

- G. Two hundred eighty days after this Compact becomes binding upon the parties, and annually thereafter, upon written request of the Tribe specifying the need to operate additional games in order to realize a reasonable return on its investment, the parties shall meet for the purpose of discussing the matter and considering the addition of games essential to meet the Tribal need.

VI. PROPRIETARY INTEREST.

The Tribe shall have the sole proprietary interest in all Class III gaming activities operated under this Compact and shall not authorize, permit, or license the operation of any Class III gaming activity under this Compact by any other person, except that the Tribe may enter a management contract subject to the provisions of section VIII. of this Compact and section (11)(d)(9) of the Act.

VII. GAMING-RELATED CONTRACTOR; CONTRACTOR TO HOLD STATE CERTIFICATE.

- A. - D. Certificate issued by Lottery Board.
1. A Certificate shall be issued to a person, and the person may continue to hold a Certificate, unless the person:

 - (1) A felony.
 - (2) Any gambling-related offense.
 - (3) Fraud or misrepresentation in any connection.
 - (4) A violation of any provision of chs. 562 or 565, Wis. Stats., a rule promulgated by the Lottery Board or Wisconsin Racing Board, or a Tribal ordinance regulating or prohibiting gaming.
 - b. Is determined by the Lottery Board to be a person whose prior activities, criminal record if any, or reputation, habits, and associations (including

employees and agents in relation to a gaming-related contract) pose a threat to the public interest or to the effective regulation and control of gaming, or create or enhance the dangers of unsuitable, unfair, or illegal practices, methods, or activities in the operation of gaming or the carrying on of the business and financial arrangements incidental thereto; provided, however, that the fact that a person provided materials, supplies, equipment or services to the Tribe in relation to Class III gaming prior to the date on which this Compact becomes binding on the parties shall not be considered in making determinations under this subdivision.

 - (3) A corporation, then subdiv. a. applies to the corporation, each officer or director of the corporation and each owner, directly or indirectly, of any equity security or other ownership interest in the corporation. In the case of owners of publicly held securities of a publicly traded corporation, subdiv. a. applies only to those persons who are beneficial owners of 5% or more of the publicly held securities.
- f. The restrictions under subdiv. a. do not apply to the partnership, association or corporation if the Lottery Board determines that the partnership, association or corporation has terminated its relationship with the partner, officer, director or owner who was convicted or entered the plea or with the partner, officer, director, owner or other individual whose actions directly contributed to the partnership's, association's or corporation's conviction or entry of plea.
- g. Any conviction, guilty plea or plea of no contest of any partnership, limited partnership,

association or corporation shall be imputed to any individual who, though not convicted, directly contributed to the transaction giving rise to the conviction, guilty plea or plea of no contest.

Persons holding Certificates under this section shall be subject to periodic review in order to determine continuing compliance with the requirements of this section.

 - b. Pay to the State the amount of the State's actual costs in conducting investigations and making determinations under this section.
 - c. Be fingerprinted on 2 fingerprint cards each bearing a complete set of the person's fingerprints. The Department of Justice may submit the fingerprint cards to the Federal Bureau of Investigation for the purpose of verifying the identity of the person fingerprinted and obtaining records of his or her criminal arrests and convictions.
 - d. Submit to the Lottery Board a list of all states in which the person has done business within the last three years. The list shall include license or permit numbers (if issued) and the operative dates of the license(s) or permit(s).

1. Upon receipt of an application for a certificate under this section, the state will promptly:
 - a. Submit to the Tribe a copy of the application with its supporting documentation;

 - c. Invite the Tribe's recommendation as to whether a certificate should issue and the Tribe's reasons therefor.
 2. Where the Tribe has elected to consult with the State under par. 1., above, and in the event it appears that a certificate should not be issued to the applicant:
 - a. The Executive Director of the Lottery Board shall, before making a determination under this section, offer to consult with the Tribe concerning the factual basis and reasons for the proposed denial; and

- b. If, after consultation under subpar. a., the Executive Director determines that a certificate should not issue to the applicant, the Tribe shall have the right to appeal the matter to the Lottery Board and be heard thereon. Any decision of the Lottery Board shall designate the Tribe as an interested party for purposes of judicial review under ch. 227, Stats.
- F. The Tribe shall include the following provisions in any gaming-related contract:
1. The contract shall be terminated if, during the term of the contract or any extension thereof, the person's Certificate under this section is revoked by the Lottery Board.
 2. The contract is subject to the provisions of this Compact.
 3. A Certificate issued under this section of the Compact shall not constitute a property interest under state or federal law.
- G. Transitional provision. Subsections B. and C., above, notwithstanding, a person who has a gaming-related contract in effect with the Tribe on the date this Compact becomes binding on the parties may continue to perform under such contract pending final decision on issuance of a Certificate under this section to such person; provided that:
1. Within 10 days after this Compact becomes binding on the parties, the Tribe provides to the Lottery Board a list of all such persons, with their addresses and a specification of the materials, supplies, equipment or services under contract; and
 2. Within 20 days after this Compact becomes binding on the parties, such person included in the list applies to the Lottery Board for a Certificate under this section.

VIII. MANAGEMENT CONTRACTS.

- A. The Tribe agrees that, subject to the Certificate requirements of section VII. of this Compact, the Tribe may enter into a management contract for the operation and management of a class III gaming activity permitted under this Compact. Before approving such contract, the Tribe shall insure that the following information is supplied to the Lottery Board at least 60 days prior to the Tribe's approval of the contract:
1. The name, address, and other additional pertinent background information on each person or entity (including individuals comprising such entity) having a direct financial interest in, or management responsibility for, such contract, and, in the case of a corporation, those individuals who serve on the board of directors of such corporation and each of its

- stockholders who hold (directly or indirectly) 5 percent or more of its issued and outstanding stock;
2. A description of any previous experience that each person listed pursuant to par. 1. has had with other gaming contracts with Indian tribes or with the gaming industry generally, including specifically the name and address of any licensing or regulatory agency which has issued the person a license or permit relating to gaming or with which such person has had a contract relating to gaming;
 3. A complete financial statement of each person listed pursuant to par. 1.; and
 4. A copy of any proposed contract, and, thereafter any proposed amendment.
- B. Any person listed pursuant to subsec. A. shall be required to respond under oath to such written or oral questions that the Tribe or the Lottery Board may propound in accordance with their responsibilities under this section.
- C. The Tribe shall not enter a management contract unless the contract provides at least:
1. For adequate accounting procedures that are maintained, and for verifiable financial reports that are prepared, by or for the tribal governing body on a monthly basis;
 2. For access to the daily operations of the gaming activities to appropriate officials of the Tribe, the Lottery Board or the Department of Justice who shall also have a right to verify the daily gross revenues and income made from any such tribal gaming activity;
 3. For a minimum guaranteed payment to the Tribe, that has preference over the retirement of development and construction costs;
 4. For an agreed ceiling for the repayment of development and construction costs;
 5. For a contract term not to exceed five years, except that the Tribe may approve a contract term that exceeds five years but does not exceed seven years if, after consultation with the Lottery Board, the Tribe is satisfied that the capital investment required, and the income projections, for the particular gaming activity require the additional time;
 6. For a complete, detailed specification of all compensation to the Contractor under the contract; and
 7. For grounds and mechanisms for terminating such contract, including summary termination upon revocation of the management contractor's Certificate under section VII. of this Compact.
- D. The Tribe may approve a management contract providing for a fee based upon a percentage of the net revenues of a tribal gaming activity, which shall not exceed thirty percent, unless the Tribe, after consultation with the Lottery Board, determines that the capital investment required, and income projections, for such gaming activity, require an additional

fee, which in no event shall exceed forty percent of net revenues of such gaming activity. A contract providing for a fee based upon a percentage of net revenues shall include a provision describing in detail how net revenues will be determined. The consultation described in this section shall in no way limit the authority of the Tribe to make independent business decisions under the Act.

IX. CRIMINAL AND BACKGROUND RESTRICTIONS.

- A. The Tribe agrees that no person may be employed in the operation or conduct of gaming under this Compact, and the Tribe shall not permit a gaming related contractor to employ any person in the course of performance under the contract, if that person:
1. Has been convicted of, or entered a plea of guilty or no contest to, any of the following, unless the person has been pardoned:
 - a. A felony, other than a felony conviction for an offense under subdiv. b., c. or d., during the immediately preceding 10 years.
 - b. Any gambling-related offense.
 - c. Fraud or misrepresentation in any connection.
 - d. A violation of any provision of chs. 562 or 565, Wis. Stats., a rule promulgated by the Lottery Board or Wisconsin Racing Board, or a Tribal ordinance regulating or prohibiting gaming.
 2. Has been determined by the Tribe to be a person whose prior activities, criminal record if any, or reputation, habits, and associations pose a threat to the public interest or to the effective regulation and control of gaming, or create or enhance the dangers of unsuitable, unfair, or illegal practices, methods, or activities in the operation of gaming or the carrying on of the business and financial arrangements incidental thereto.
- B. The restriction in par. A.1. shall not disqualify an applicant or employe if the Wisconsin Winnebago Business Committee waives such restriction by legislative resolution after the applicant or employe has demonstrated to the Committee evidence of sufficient rehabilitation and present fitness.
- C. The Tribe shall have primary responsibility for the investigations and determinations under this section, and shall retain for a period of at least 7 years, all records relating to such investigations and determinations.
- D. Persons subject to this section shall be periodically reviewed (at least every two years) to determine whether they continue to meet the requirements and limitations of this section.
- E. Criminal history data compiled by the Department of Justice on any person subject to subsection A. shall, subject to applicable federal or state law, be released to the Tribe as part of its report regarding each person, and the Tribe shall

reimburse the State for the Department's actual costs of compiling the data.

X. RECORDS.

- A. In addition to records specifically required under other provisions of this Compact, the Tribe shall also maintain, and the State shall have the right to inspect and copy, the following records related to Class III gaming for at least seven years after the record is created:
1. All accounting records, which shall be kept on a double entry system of accounting, including detailed, supporting and subsidiary records.

The Tribe shall require the manufacturer to pay for any and all costs for the transportation, testing, examination, and analysis. The testing, examination, and analysis may include the entire dismantling of the electronic games of chance and related equipment and some tests may result in damage or destruction to one or more electronic components of the devices. If required by the laboratory, the Tribe must require the manufacturer to provide specialized equipment or the services of an independent technical expert to assist the testing, examination, and analysis.
4. Report of Test Results. At the conclusion of each test, the laboratory shall provide to the Lottery Board and the Tribe a report that contains findings, conclusions, and a determination that the electronic game of chance and related equipment conforms or fails to conform to the hardware and software requirements of this Compact. If modifications can be made which would bring the electronic game of chance or related equipment into compliance, the report may contain recommendations for such modifications.
5. Modifications of Approved Electronic Games of Chance. No modification to the assembly or operational functions of any electronic game of chance or related equipment may be made after testing and installation unless a gaming test laboratory certifies to the Lottery Board and the Tribe that the modified electronic game of chance conforms to the standards of this Compact. Where the network links the Tribe's electronic games of chance to tribal games of chance on other Indian reservations, each Tribe participating in the network shall have in force a Class III gaming compact authorizing such gaming as part of a network and all segments of the network shall utilize security standards agreed between the Tribe and the Executive Director of the Lottery Board which are at least as restrictive as those used by the Wisconsin Lottery for its on-line games.

E. Software Requirements for Electronic Games of Chance.

1. Randomness Testing. Each electronic game of chance must have a true random number generator that will determine the occurrence of a specific card, symbol, number, or stop position to be displayed on the electronic screen or by the mechanical rotating reels. A selection process will be considered random if it meets all of the following requirements:
 - a. Chi-Square Analysis. Each card, symbol, number, or stop position which is wholly or partially determinative of the outcome of a game satisfies the 99 percent confidence limit using the standard chi-square analysis.
 - b. Runs Test. Each card, symbol, number, or stop position does not as a significant statistic produce predictable patterns of game elements or occurrences. Each card, symbol, number, or stop position will be considered random if it meets the 99 percent confidence level with regard to the "runs test" or any generally accepted pattern testing statistic.
 - c. Correlation Analysis. Each pair of cards, symbols, numbers, or stop positions is independently chosen without regard to any other card, symbol, number or stop position, drawn within that game play. Each pair of cards, symbols, numbers, or stop positions is considered random if it meets the 99 percent confidence level using standard correlation analysis.
 - d. Serial Correlation Analysis. Each card, symbol, number, or stop position is independently chosen without reference to the same card, number, or stop

position in the previous game. Each card, number, or stop position is considered random if it meets the 99 percent confidence level using standard serial correlation analysis.

 - b. Electronic games that are affected by player skill, such as electronic draw poker and blackjack, shall pay out a minimum of 83 percent and no more than 100.0 percent of the amount wagered. This standard is met when using a method of play that will provide the greatest return to the player over a period of continuous play.
 3. Minimum Probability Standard for Maximum Payout. Each electronic game of chance must have a probability of obtaining the maximum payout which is greater than 1 in 17,000,000 for each play.
 4. Software Requirements for Continuation of Game After Malfunction. Each game must be capable of continuing the current game with all current game features after a game malfunction is cleared. This provision does not apply if a game is rendered totally inoperable; however, the current wager and all player credits prior to the malfunction must be returned to the player.
 5. Software Requirements for Play Transaction Records. Each game must maintain electronic accounting meters at all times, regardless of whether the machine is being supplied with power. Each meter must be capable of maintaining totals no less than six digits in length for the information required in subdivs a. through d., inclusive. The electronic meters must record the following information:
 - a. Total number of coins inserted. The meter must count the total number of coins that are inserted by the player or the coin equivalent if a bill acceptor is being used;
 - b. Number of credits wagered;
 - c. Number of credits won;
 - d. Credits paid out by a printed written statement;
 - e. Number of times the logic area was accessed;
 - f. Number of times the cash compartment was accessed;

 - i. Number of cumulative credits representing money inserted by a player and credits for games won but not collected, commonly referred to as the credit meter.
6. No Automatic Clearing of Accounting Meters. No game may have a mechanism by which an error will cause the electronic accounting meters to automatically clear. All meter readings must be recorded and dated in the presence of a tribal official both before and after the electronic accounting meter is cleared.
7. Display of information. The display information required in par. 8. shall be kept under glass or another transparent substance and at no time may stickers or other removable devices be placed on the machine face.
8. Rules Display. The software shall display:
- a. The rules of the game prior to each game being played;
 - b. The maximum and minimum wagers, the amount of credits which may be won for each winning hand or combination of numbers or symbols; and,
 - c. The credits the player has accumulated;
- Provided, however, in the case of an electronic game of chance with a mechanical display, the information required by subdvs. a. and b. shall be permanently affixed on the game in a location which is conspicuous to the player during play.
- F. Transitional provision.
Electronic, electro-mechanical, and mechanical games of chance enumerated in Exhibit B, attached hereto, must be tested and approved by a gaming test laboratory as required under subsec. B., and reported to the Lottery Board under subsec. C., within 60 days of the Tribe's execution of this Compact. Notwithstanding the foregoing, if these games cannot comply with the technical standards of this Compact within the 60-day period due to circumstances beyond the control of the Tribe, these games shall be brought into compliance or replaced with complying equipment at the earliest date possible, but in no instance later than 360 days after the Tribe's execution of this Compact.

 2. Demand for Remedies for Non-Complying Games. Electronic games of chance believed to be non-complying shall be so designated, in writing, by the Lottery Board. Within 5 days of receipt of such written designation, the Tribe shall either:
 - a. Accept the finding of non-compliance, remove the games from play, and take appropriate action to ensure that the Tribe, the manufacturer, distributor or other responsible person cures the problem; or
 - b. Contest the finding of non-compliance by so notifying the Lottery Board in writing, and arrange for the inspection of the contested equipment, or single example thereof, by an independent gaming test laboratory as provided in subsec. B. within three days of the receipt of the finding of non-compliance. If the independent laboratory finds that the game or related equipment is non-complying, the non-complying game and related equipment shall be permanently removed from play unless modified to meet the requirements of this Compact. Games and related equipment removed from play under this paragraph may be returned to play only after tested, approved or certified as provided under subsec. B. and reported to the Lottery Board as provided under subsec. C.
- H. Game locations.
1. Definitions. In this subsection:
 - a. 2. Cards: Number of Decks; Value of Cards.

3. Wagers.

- a. Only players may wager in the game of Blackjack.
- b. No more than seven players shall be allowed to make wagers at any single gaming table for any given hand.
- c. Prior to the first card being dealt for each round of play, each player at the game of Blackjack shall make a wager against the dealer.

 - (2) The score of the dealer exceeds that of the player without either opponent exceeding 21; or
 - (3) Both the dealer and player have achieved a score of 21; however, the dealer has a blackjack and the player does not;

 - g. Except as otherwise provided in these regulations, no wager shall be made, increased or withdrawn after the first card of the respective round has been dealt.
 - h. Wagers shall be represented by gaming chips and by no other means including, but not limited to, United States and foreign currencies, promissory notes, and securities.
 - i. A player shall make a wager by placing gaming chips in the appropriate hole.
 - j. The maximum wager on any hand shall be \$200 before double-downs or splits. Minimum and maximum wagers shall be conspicuously posted at each table.
 - k. Except for a blackjack, any winning wagers within the wager limit set in subdiv. j., and made in accordance with this paragraph shall be paid at odds of 1 to 1. At the Tribe's discretion, a blackjack may be paid at minimum odds of 3 to 2, and maximum odds of 2 to 1. The odds for the payment of a blackjack shall be conspicuously posted at each gaming table.
 - l. The dealer shall announce any blackjack obtained by a player or the dealer and pay off or collect as provided in these regulations either immediately or at the hand's conclusion.
 - m. Once the first card of any hand has been dealt by the dealer, no player shall handle, remove, or add any chips, or otherwise alter any wager, unless the floor supervisor or pit boss approves of such alteration in accordance with these regulations.
 - n. Once a wager on insurance, wager to double down, or wager to split pairs has been made and confirmed by the dealer, no player shall handle, remove, or add any chips, or otherwise alter any wager, unless the floor supervisor or pit boss approves of such alteration in accordance with these regulations.
 - o. The Tribe may preclude a person who has not made a wager on the first round of play from entering the

game on a subsequent round of play prior to a reshuffle of the cards occurring. Any person permitted by the Tribe to enter the game after the first round of cards has been dealt may be limited by the Tribe to a wager of the minimum limit posted at the table until the cards are reshuffled and a new deal is commenced.

- p. Any player who, after placing a wager on any given round of play, declines to place a wager on any subsequent round of play may be precluded by the Tribe from placing any further wagers until the dealer's shoe of cards is completed and a new shoe is commenced.
 - q. In the event a player is precluded from play under subdvs. o. or p., above, the Tribe may at its discretion request that the player leave the Blackjack table, provided that the player is allowed to join or rejoin that or any other game subject only to the conditions imposed on all players by the game regulations described in this compact.
 - r. Propositional wagers in the game of Blackjack are prohibited.
4. Opening of Table for Gaming.
- a. After receiving the one or more decks of cards at the Blackjack table, the dealer shall sort and inspect the cards and the floor person assigned to the table shall verify the inspection.

5. Shuffle and Cut of the Cards.
- a. Immediately prior to commencement of play and after any round as may be determined by the Tribe, the dealer shall shuffle the cards so that they are randomly intermixed.
 - b. After the cards have been shuffled, the dealer shall offer the stacks of cards with backs facing away from the dealer, to the players to be cut.
 - c. The player designated by subdiv. d., below, or the dealer as designated by subdiv. e., below, shall cut the cards by placing the cutting card in the stack at least 10 cards in from either end.

6. Dealing from the Hands. Dealing from one or more decks of cards held in the hands of the dealer is prohibited in the game of Blackjack by this Compact.
7. Dealing from a Shoe.
- a. All cards used to game at Blackjack shall be dealt from a multideck dealing shoe specifically designed for such purpose and located on the Blackjack table to the left of the dealer.
 - b. Each dealer shall remove the cards from the shoe with the left hand, turn the cards face upwards, and then with the right hand, place the cards on the appropriate area of the layout, except that the dealer has the option to deal hit cards to the first two circles with the left hand.
 - c. After each full set of cards is placed in the shoe, the dealer shall remove the first card therefrom face downwards and place it on the discard rack which shall be located on the table immediately to the right of the dealer. Each new dealer who comes to the table shall follow the same procedures as described in this subdivision before the new dealer deals any new cards to the players. The first card which has been placed face down in the discharge rack, otherwise known as the "burn card," shall be disclosed if requested by a player.
 - d. At the commencement of each round of play, the dealer shall, starting on the dealer's left and continuing around the table to the right, deal the cards in the following order:
 - (1) One card face upwards to each of the players' circles;
 - (2) One card face down to the dealer;
 - (3) A second card face upwards to each of the players' circles;
 - (4) A second card face down to the dealer, and then turning the dealer's first card face up.
 - e. After two cards have been dealt to each player and the dealer, the dealer shall, beginning on the dealer's left, indicate each player's turn to act. Such player shall indicate to the dealer whether he

- wishes to stand, draw, or make any other election as permitted by these regulations.
- f. As each player makes an election, the dealer shall deal face upwards whatever additional cards are necessary to effectuate such election consistent with these regulations.
 - g. At the conclusion of a round of play, all cards still remaining on the layout shall be picked up by the dealer in order and in such a way that they can be readily arranged to indicate each player's hand in case of questions or dispute. The dealer shall pick up the cards beginning with those of the player to the far right of the dealer and moving counter-clockwise around the table. After all the players' cards have been collected the dealer shall pick up his cards and place them in the discard rack on top of the players' cards.
 - h. Whenever the cutting card is reached in the deal of the cards, the dealer shall continue dealing the cards until that round of play is completed after which he shall reshuffle the cards. If at the beginning of a new round, the first card to be dealt is the cutting card, the dealing stops and the dealer shuffles the cards.
 - i. At no time shall a player or nonplayer be allowed to handle, alter or remove any cards used to game at Blackjack except as explicitly permitted in this section.
 - j. Each player at the table shall be responsible for correctly computing the point counts of his/her hand, and no player shall rely on any point counts announced by the dealer.
 - k. Whenever all players leave a table, the dealer must repeat the procedures contained in paragraphs 4 and 5, above.
8. Payment of a Blackjack.
- a. If the first face up card dealt to the dealer is 2,3,4,5,6,7,8, or 9 and a player has Blackjack, the dealer shall announce and pay the winner at odds in play at that table, either immediately or at the hand's conclusion.
 - b. If the first face up card dealt to the dealer is an Ace, King, Queen, Jack or Ten and a player has a Blackjack, the dealer shall announce the Blackjack but shall make no payment nor remove any cards until all other cards are dealt to the players and the dealer receives a second card. If, in such circumstances, the dealer's second card does not give the dealer a Blackjack, the player having a Blackjack shall be paid at odds in play at that table. If, however, the dealer's second card gives

him a Blackjack, the wager of the player having a Blackjack shall constitute a tie or a push.

9. Surrender. The Tribe may allow all players to surrender or may prohibit them from surrendering. The game regulation regarding surrender shall be conspicuously posted at the location where blackjack is played.
10. Insurance. The Tribe may allow all players to make insurance wagers, or may prohibit them from so wagering. The game regulation regarding insurance shall be conspicuously posted at the location where Blackjack is played.

 - e. Subdiv. C.7.i. notwithstanding, a player may be permitted to hold cards dealt to that player.
 - f. Each table at which this variant is being conducted shall be subject to the continuous surveillance prescribed in par. D.2. at all times during play.
15. Drawing of Additional Cards by Players and Dealers.
 - a. A player may elect to draw additional cards whenever that player's point count total is less than 21 except that:
 - (1) A player having a blackjack or a hard total of 21 may not draw additional cards;

- (2) A player electing to double down may draw up to the posted limit; and
 - (3) A player splitting Aces shall only have one card dealt to each Ace and may not elect to receive additional cards.
- b. Except as provided in subdiv. c., below, the dealer shall draw additional cards until the dealer accumulates the total posted on the layout, at which point no additional cards shall be drawn.
 - c. A dealer shall draw no additional cards, regardless of the point count, if all players have made their elections on their respective hands and the point count of the dealer's hand will have no effect on the outcome of the round of play.
16. A Player Wagering on More Than One Circle. The Tribe may permit a player to wager on more than one circle at the Blackjack table provided, however, that the Tribe shall have the authority and discretion to prohibit this during hours when there are insufficient seats at the location where Blackjack is played to accommodate patron demand.
17. Distribution of Blackjack Tips. All tip bets won by a dealer and all other tips shall be paid in chips, deposited in a locking tip box in the dealer's pit area, pooled with all other tips and tip bets accumulated by all other dealers, and divided not more frequently than weekly between dealers and supervisory management personnel as defined by the Tribe upon a formula established by the Tribe. Cash tipping shall be prohibited.
18. Blackjack Tournament. The Tribe may allow the play of Blackjack tournaments where, in addition to the wager, players may win other prizes as provided for in the regulations of that particular tournament. Any such Blackjack tournament must otherwise be played as provided in this section.
19. Availability of Blackjack Rule. The regulations of Blackjack or of a Blackjack tournament must be made readily available in writing to players or potential players on request.
20. House Count and Inspection of Cards Upon Closing.
- a. Upon closing of the location where Blackjack is played all cards utilized in games of Blackjack shall be re-grouped into complete 52-card decks.
 - b. A dealer who dealt cards from a shoe may not regroup the cards from that shoe.
 - c. Any irregularities discovered as a result of regrouping cards, such as missing or marked cards, shall be reported to the casino manager first and then to security personnel for investigation and resolution.

XVIII. AMENDMENTS TO REGULATORY AND TECHNICAL STANDARDS FOR ELECTRONIC GAMES OF CHANCE AND BLACKJACK. The State and the Tribe acknowledge the likelihood that technological advances or other changes will occur during the duration of this Compact that may make it necessary or desirable that the regulatory and technical standards set forth in sections XV. and XVI. for electronic games of chance and Blackjack, respectively, be modified to take

advantage of such advances or other changes in order to maintain or improve game security and integrity. Therefore, any of the regulatory or technical standards set forth in section XV. and XVI. may be modified for the purposes of maintaining or improving game security and integrity by mutual agreement of the Executive Director of the Wisconsin Lottery and the Wisconsin Winnebago Business Committee or its Chairperson, upon the written recommendation and explanation of the need for such change made by either party.

XIX. ALLOCATION OF JURISDICTION.

A. Civil jurisdiction.

This Compact does not change the allocation of civil jurisdiction among federal, state, and tribal courts, unless specifically provided otherwise in this Compact.

B. Criminal jurisdiction.

1. The State, except as provided in par. B.2. and sec. XXIII, shall have jurisdiction to prosecute such criminal violations of its gambling laws, including amendments thereto, as may occur on tribal lands. This jurisdiction may be exercised in a similar manner as the State exercises general criminal jurisdiction pursuant to Public Law 280, 18 U.S.C. section 1162. Consent of the Attorney General of Wisconsin shall be a condition precedent to commencement of any prosecution. This provision shall not survive the term and termination of this Compact.
2. The State shall not initiate criminal prosecution against any individual authorized by the Tribe to, on behalf of the Tribe, engage in Class III activities authorized by this Compact or against any individual authorized by the Tribe to engage in Class I or Class II activities under the Act. Any dispute as to the authority of the Tribe relating to such authorization shall be resolved through the Dispute Resolution procedures set forth within this Compact.
3. The Tribe shall have jurisdiction to prosecute violations of its Gaming Code against all individuals subject thereto.
4. Except as specifically set forth in this subsection, this Compact does not change the allocation of criminal jurisdiction among federal, state and tribal authorities.

XX. LIABILITY FOR DAMAGE TO PERSONS AND PROPERTY.

- A. During the term of this Compact, the Tribe shall maintain public liability insurance with limits of not less than \$250,000 for any one person and \$4,000,000 for any one occurrence for personal injury, and \$2,000,000 for any one occurrence for property damage.

- C. The Tribe shall indemnify, defend and hold harmless the State, its officers, directors, employes and agents from and against any claims, damages, losses or expenses asserted against or suffered or incurred by the State or its officers, directors, employes and agents based upon or arising out of any bodily injury or property damage resulting or claimed to result in whole or in part from any act or omission of the Tribe relating to the inspection of any gaming or gaming related facilities, or any rectification thereof, pursuant to this Compact or tribal ordinances regarding public health, safety and welfare.

XXI. ENFORCEMENT.

- A. The Lottery Board and the Department of Justice shall have the right to monitor the Tribe's Class III gaming to ensure Tribal compliance with the provisions of this Compact. Authorized agents of the Lottery Board and the Division of Criminal Investigation of the Department of Justice shall, upon the presentation of appropriate identification, have the right to gain access with notice or without notice, and without warrant, to all facilities used for the operation or conduct of Class III gaming or the storage of equipment and records related thereto, and may inspect all premises, equipment, records, documents or items related to the operation or conduct of Class III gaming in order to verify compliance with the provisions of this Compact. Inspections pursuant to this section shall be conducted in the company of a tribal official as designated by the Wisconsin Winnebago Business Committee or Chairman and shall not be conducted in a manner which disrupts normal business operations.
- B. If either party believes that the other party has, in respect to the subject matter of this Compact, failed to prosecute any offender under its criminal laws or code, it may invoke the Dispute Resolution procedures in section XXII.
- C. If any party to this Compact has reason to believe that the other party is not complying with the provisions of this Compact, it may invoke the Dispute Resolution procedures in section XXII.
- D. In order to administer and enforce state laws, the Department of Justice and the Lottery Board may investigate the activities of the Tribal officers, employes, contractors, or gaming participants who may affect the operation or administration of Tribal gaming, and shall report suspected violations of state or federal laws, or tribal ordinances to the appropriate prosecution authorities, and suspected violations of this Compact to the Lottery Board. Pursuant to such investigation, the Lottery Board or the Wisconsin Attorney General may issue a subpoena, in accordance with state law, to compel the production of any books, papers, correspondence, memoranda, agreements, or other documents or

records which the State reasonably deems relevant or material to the investigation. Section 885.12, Wis. Stats., shall apply to a failure to obey a subpoena under this subsection.

- E. The Wisconsin Attorney General shall have jurisdiction to commence prosecutions relating to Class III gaming for violations of any applicable state civil or criminal law, or provision of this Compact.

XXII. INCORPORATION.

The Gaming Code of the Tribe, as it may be from time-to-time amended, is incorporated by reference into this Compact.

XXIII. DISPUTE RESOLUTION.

- A. If either party believes that the other party has failed to comply with any requirement of this Compact, it shall invoke the following procedure:
1. The party asserting the noncompliance shall serve written notice on the other party. The notice shall identify the specific statutory, regulatory or Compact provision alleged to have been violated and shall specify the factual basis for the alleged noncompliance. The State and Tribe shall thereafter meet within thirty days in an effort to resolve the dispute.
 2. If the dispute is not resolved to the satisfaction of the parties within ninety days after service of the notice set forth in par. 1., either party may pursue any remedy which is otherwise available to that party to enforce or resolve disputes concerning the provisions of this Compact.
- B. Nothing in this section shall be construed to preclude, limit or restrict the ability of the parties to pursue, by mutual agreement, alternative methods of dispute resolution, including but not limited to mediation or arbitration; provided that neither party is under any obligation to agree to such alternative method of dispute resolution.

XXIV. SOVEREIGN IMMUNITY; COMPACT ENFORCEMENT.

- A. Except as expressly provided in section XIX., neither the State nor the Tribe waive their sovereign immunity, under either state or federal law, by entering into this Compact and no provision of this Compact is intended to constitute a waiver of State or Tribal sovereign immunity.
- B. This Compact in no way limits the application of section 11(d)(7)(A) of the Act.
- C. In addition to the enforcement mechanism under subsec. B., both the State and the Tribe agree that suit to enforce any provision of this Compact may be brought in federal court by either the State or the Tribe against any official or employee of either the State or the Tribe. Said suit may be brought for any violation of the terms of this Compact or violation of any applicable state or federal law. Relief in said suit shall be limited to prospective declaratory or injunctive

relief. An allegation that an official or employe violated this Compact shall be deemed as an allegation that said official or employe is acting in excess of his/her authority for purposes of jurisdiction only. The State and the Tribe will bear their own costs of litigation for any action to enforce this Compact, including but not limited to, attorneys' fees.

- D. These enforcement provisions are an essential part of this Compact, and if they are found to violate the sovereign immunity of either the State or the Tribe or should the courts otherwise determine they lack jurisdiction to enforce the Compact, the parties will take all steps necessary to create an effective enforcement mechanism.

XXV. REIMBURSEMENT OF STATE COSTS.

- A. Until such time as all tribes within the State that have requested negotiation of Class III gaming compacts have concluded compacts with the State, the Tribe shall pay to the State, as reimbursement for State costs of regulation under this Compact, the sum of \$25,000 for each State fiscal year (ending June 30), or part thereof, that this Compact is in force, except that for the fiscal year ending June 30, 1992, the Tribe shall pay the State \$2,083.33. Payments under this subsection shall be made on or before the end of each fiscal year.
- B. As soon as all tribes within the State that have requested negotiation of Class III gaming compacts have concluded compacts with the State, the Tribe shall pay to the State, as reimbursement for State costs of regulation under this Compact, an annual amount for each State fiscal year computed as follows: the share of \$350,000 determined by multiplying that amount by a fraction whose denominator is the sum of the gross annual Class III gaming handle of those tribes for the previous fiscal year, and whose numerator is the Tribe's gross annual Class III gaming handle for that same fiscal year. Payments shall be made within 30 days after the Tribe receives a statement from the State setting forth the amount to be paid by the Tribe under this section.
- C. Payments under subsecs. A. and B., shall be made payable to the State of Wisconsin and sent to:
- Secretary
Department of Administration
State of Wisconsin
P.O. Box 7864
Madison, Wisconsin 53707-7864
- D. The Tribe shall also directly reimburse the Department of Justice and the Lottery Board for their actual and necessary costs of providing services and assistance at the request of the Tribe.
- E. For purposes of this section, "gross gaming handle" means total amount wagered.

XXVI. DURATION.

- A. This Compact shall be in effect for a term of seven years after it becomes binding on the parties.
- B. The duration of this Compact shall thereafter be automatically extended for terms of five years, unless either party serves written notice of nonrenewal on the other party not less than one hundred eighty days prior to the expiration of the original term of this Compact or any extension thereof.
- C. In the event written notice of nonrenewal is given by either party as set forth in this section, the Tribe shall cease all Class III gaming under this Compact upon its expiration date or upon the date the procedures in subsec. E. are concluded and a successor compact, if any, is in effect.
- D. The Tribe may operate Class III gaming only while this Compact, or any extension thereof under this section, is in effect.
- E. In the event that written notice of nonrenewal of this Compact is given by one of the parties under subsec. B., above, the Tribe may, pursuant to the procedures of the Act, request the State to enter into negotiations for a successor compact governing the conduct of Class III gaming activities to become effective following the expiration of this Compact. Thereafter the State shall negotiate with the Tribe in good faith concerning the terms of a successor compact (see sec. 11 (d)(3)(A) of the Act). If a successor compact is not concluded by the expiration date of this Compact, or any extension thereof under subsec. B., the Tribe shall do one of the following:
 1. Immediately cease all Class III gaming upon the expiration of this Compact, or any extension thereof under subsec. B.; or
 2. Commence action in the United States District Court pursuant to section 11 (d)(7) of the Act, in which event this Compact shall remain in effect until the procedures set forth in section 11 (d)(7) of the Act are exhausted.

XXVII. GAMING LOCATIONS.

- A. For purposes of this section XXVII., and sections XV., XVI. and XVII., "location" means the Tribe's Lands within a county enumerated in this section.
- B. On or before May 1, 1992, the Tribe operated gaming on the Tribe's Lands at locations in Sauk, Jackson and Wood Counties. The Tribe proposes to conduct Class III gaming pursuant to this Compact at these locations and on Tribal Lands at additional locations. The State agrees that the Tribe may operate Class III gaming as provided in this Compact on Tribal Land in Sauk, Jackson, and Wood Counties, but only as provided in this Compact. The State has offered to include a fourth location in this Compact, subject to certain conditions which are not now acceptable to the Tribe.

This section may be amended at a later date to enumerate the fourth location.

XXVIII. TRIBAL GAMING ORDINANCES AND STATE LAW.

To the extent that State law or Tribal ordinances, or any amendments thereto, are inconsistent with any provision of this Compact, this Compact shall control.
