

United States Department of the Interior

OFFICE OF THE SECRETARY
WASHINGTON, D.C. 20240

SEP 25 1991

Honorable Stanley G. Jones, Sr.
Chairman, Tulalip Tribes of Washington
6700 Totem Beach Road
Marysville, Washington 98270

Dear Chairman Jones:

We are in receipt of the tribal-state compact concluded between the Tulalip Tribes of Washington and the State of Washington, accompanied by the requisite tribal resolution authorizing the compact process. Pursuant to my delegated authority and Section 11 of the Gaming Act, we approve the compact.

We note that the compact includes Class II card games which would not, usually be appropriately included in a Class III gaming compact. Class II gaming is within the jurisdiction of the National Indian Gaming Commission and the Tribe rather than the State and the Tribe. However, we understand that the card games are included because of the possibility that they may become Class III games, through other conditions precedent that were negotiated in the compact.

The compact shall take effect upon publication in the FEDERAL REGISTER of notice of our approval pursuant to Section 11(d)(3)(B).

Section 11(d), (25 U.S.C. 2710) of the Indian Gaming Regulatory Act of 1988, (P.L. 100-497; 25 U.S.C. 2710 *et seq.*), requires the Chairman of the National Indian Gaming Commission to approve tribal resolutions authorizing Class III gaming. However, the Commission does not yet have final regulations governing such approvals.

We wish the Tribe and the State success in this economic endeavor.

Sincerely,

/S/ Eddie F. Brown

Assistant Secretary - Indian Affairs

INTRODUCTION

THIS COMPACT is entered into pursuant to the Indian Gaming Regulatory Act of 1988, P.L. 100-497, codified at 25 U.S.C. §2701-2721 and 18 U.S.C. §1166-1168 (hereafter I.G.R.A. or Act).

PARTIES

THIS TRIBAL-STATE COMPACT is made and entered into by and between the TULALIP TRIBES OF WASHINGTON, a federally-recognized Indian Tribe, possessed of all sovereign powers and rights thereto pertaining; and the STATE OF WASHINGTON, as a sovereign state of the United States, with all rights and powers thereto pertaining.

DECLARATION OF POLICY AND PURPOSE

I.G.R.A. provides for the negotiation of compacts between States and Tribes to govern the conduct of Class III gaming. Indian tribes have rights under I.G.R.A. to regulate gaming activities on Indian lands if the gaming activity is not specifically prohibited by Federal law and is conducted within a state which does not, as a matter of criminal law and public policy, prohibit such gaming activity. The overarching policy of the Act is to provide a framework for the operation of gaming by Indian tribes as a means of promoting Tribal economic development, self-sufficiency and strong Tribal governments, as well as providing a basis for the regulation of gaming by an Indian tribe adequate to shield it from organized crime and other corrupting influences, to insure that the Indian tribe is the primary beneficiary of the gaming operation and to assure

that gaming is conducted fairly and honestly by both the operator and players.

This Compact is intended to be the immediate means by which the Tribe may lawfully conduct Class III gaming activities within the State which permits such gaming for any purpose by any person, organization or entity while realizing both State and Tribal objectives by defining the manner in which laws regulating the conduct of gaming activities are to be applied.

It is the policy of the State, recognizing the close relationship between professional gambling and organized crime, to restrain all persons from seeking personal profit from professional gambling activities in the State; to restrain all persons from patronizing such professional gambling activities; to safeguard the public policy against the evils induced by common gamblers and common gambling houses engaged in professional gambling; and at the same time, both to preserve the freedom of the press and to avoid restricting participation by individuals in activities and social pastimes, which activities and social pastimes are more for amusement rather than for profit, do not maliciously affect the public and do not breach the peace.

It is the policy of the Tulalip Tribes to exercise and retain its rights to regulate gaming activities upon its lands and reservation for the purposes of encouraging Tribal employment, economic and social development and funding of Tribal services while insuring fair operation of such gaming and the prevention of corruption or infiltration by criminal or other unwanted influences.

This Compact is intended to embody the policies and the shared and individual goals and concerns of the Tribe and State concerning the conduct of Tribal Class III gaming.

Notwithstanding any other provision of this Compact, the State Gaming Agency may modify any of the above fees consistent with like fees charged by the State Gaming Agency for non-Compact gaming elsewhere in the State by giving the Tribe sixty (60) days notice of intent to modify fees. Should a dispute arise under this section it shall be resolved pursuant to Section 12(c) of this Compact.

(j) Fees For Tribal License. The fees for all gaming employee licenses shall be set by the Tribal Gaming Agency.

(k) Temporary Certification of Gaming Employees. The temporary certification shall become void and be of no effect upon either the issuance of a State certification or upon the issuance of intent to deny, in accordance with the provisions of this Compact. During the twelve month period immediately following the effective date of this Compact as provided herein, any applicant who has a current license issued by the State Gaming Agency, together with his or

her completed application shall be immediately issued a temporary certification by the State Gaming Agency pending completion of the certification investigation.

(1) Summary Suspension of Tribal License or State Certification. The Tribal Gaming Agency, pursuant to the laws of the Tribe, and the State Gaming Agency, pursuant to the laws of the State, may summarily suspend any respective Tribal license or State certification if the continued licensing or certification of a person or party constitutes a threat to the public health, safety or welfare.

Tribal members who apply specifically waive any immunity, defense, or other objection they might otherwise have to the exercise of State jurisdiction for these purposes, but only for the purposes discussed in this paragraph. Nothing in this Section shall be deemed or interpreted as a waiver of immunity or submission to State jurisdiction for any other purpose or cause of action.

In an attempt to foster a spirit of cooperation between the law enforcement agencies authorized to enforce the criminal laws of the State, the Tribe and those laws affecting the public health, safety and welfare of the surrounding communities, representatives of those law enforcement agencies shall meet prior to commencement of operations and periodically thereafter to discuss mutual concerns and coordinate the enforcement actions necessary to minimize those concerns.

State Gaming Agency for such revisions. State Gaming Agency concurrence shall be deemed granted unless written disagreement within sixty (60) days of submission of the revised standards is delivered to the Tribal Gaming Agency. The State Gaming Agency shall concur with the proposed revisions upon request, unless it finds that they would have a material adverse impact on the public interest in the integrity of the gaming operation, and shall disagree with such portions which are determined to have a material adverse impact upon that interest. If the State Gaming Agency disagrees with the request, it shall set forth with specificity the reasons for such disagreement. Upon a notice of disagreement, the parties shall meet, and in good faith try to resolve the differences. If unsuccessful, the matter shall be resolved pursuant to Section 12(c) of this Compact.

(b) Additional Operational Requirements Applicable To Class III Gaming. The following additional requirements shall apply to the gaming operation conducted by the Tribe:

(i) To ensure integrity, the Tribal gaming operation shall maintain the following logs as written, or computerized records which shall be available for inspection by the State Gaming Agency in accordance with Section 7(b) of this Compact: a surveillance log recording all surveillance activities in the monitoring room for each gaming facility; a security log recording all unusual occurrences for which the assignment of a Tribal Gaming Agency employee is made.

(ii) The Tribal Gaming Agency shall establish a list of persons barred from each gaming facility because their criminal history or association with career offenders or career offender organizations poses a threat to the integrity of the gaming activities of the Tribe. The Tribal Gaming Agency shall employ its best efforts to exclude persons on such list from entry into

each gaming facility. The Tribal Gaming Agency shall send a copy of its list on a quarterly basis to the State Gaming Agency.

(iii) The Tribal Gaming Agency shall require the audit of the Tribal gaming operation, not less than annually, by an independent certified public accountant, in accordance with the auditing and accounting standards for audits of casinos of the American Institute of Certified Public Accountants.

(iv) The Tribal Gaming Agency shall notify the State Gaming Agency of the rules of each game operated by the Tribe and of any change in such rules. Summaries of the rules of each game relevant to the method of play and odds paid to winning bets shall be visibly displayed or available in pamphlet form in each gaming facility. Betting limits applicable to any gaming station shall be displayed at such gaming station. Rules for games identified in Section 3(a) shall be based upon such games as commonly practiced in Nevada, including wagering, as do not fundamentally alter the nature of the game as the Tribal Gaming Agency may approve. Rules for games identified in Section 3(a) shall be submitted to the State Gaming agency for review, which review shall determine if said rules do not fundamentally alter the nature of the game. The Tribe will provide the State Gaming Agency ten (10) days advance notice of the rules of each game and any modifications thereof, and will provide adequate notice to patrons of the gaming operation facilities to advise them of the applicable rules in effect. In the event of a dispute, the matter will be handled in accordance with Section 12(c) of this Compact.

(v) The Tribal gaming operation shall maintain a closed circuit television system for each facility in accordance with the regulations set forth in Appendix A, and shall not modify such regulations without the agreement of the State Gaming Agency. The Tribal gaming operation shall provide the Tribal

Gaming Agency and the State Gaming Agency with copies of its floor plan and closed circuit television system for each facility and any modifications thereof for review by the Tribal Gaming Agency. If a floor plan or closed circuit television system does not provide unobstructed camera views in accordance with such regulations, the Tribal Gaming Agency shall modify such floor plan or closed circuit television system in order to remedy such deficiency. The Tribal Gaming Agency shall forward a copy of each floor plan and closed circuit television system to the State Gaming Agency for review and consideration prior to final approval. A single, common monitoring room may be used for both facilities if such is deemed adequate by the State and Tribal Gaming Agencies. In the event of a dispute, the matter will be handled in accordance with the provisions of Section 12(c).

(vi) The Tribal gaming operation shall maintain a cashier's cage for each facility in accordance with the standards set forth in Section 7(3) of Appendix A, and shall not modify such standards without the concurrence of the State Gaming Agency. The Tribal Gaming Agency and the State Gaming Agency may review cashier's cage security. If a cashier's cage does not comply with the security standards set forth in said Appendix, the Tribal operation shall modify the cashier's cage to remedy such deficiency. In the event of a dispute the matter will be handled in accordance with provisions of Section 12(c).

(vii) The Tribal gaming operation shall provide the Tribal Gaming Agency and the State Gaming Agency with a description of its minimum requirements for supervisory staffing for each table gaming pit operated in a gaming facility, and in the event that the State Gaming Agency regards such supervisory staffing as inadequate to protect the integrity of the table games, the Tribal Gaming Agency and State Gaming Agency shall promptly

confer in good faith in an effort to reach agreement on supervisory staffing requirements. If agreement cannot be reached between the State Gaming Agency and the Tribal Gaming Agency, the dispute shall be handled in accordance with Section 12(c) of this Compact.

SECTION 12. REMEDIES FOR BREACH OF COMPACT PROVISIONS.

(a) Injunction Against the State. If the Tribe believes the State, whether or not through the State Gaming Agency, is in breach or default or is otherwise acting contrary to, or failing to act in the manner required by, any of the provisions of this Compact, the Tribe may seek injunctive or other relief in a court of competent jurisdiction.

(b) Injunction Against the Tribe, the Tribal Gaming Operation, or any Individual. The State Gaming Agency may bring an action to enjoin the Tribe, the Tribal gaming operation, or any individual, if the State determines that any gaming operation authorized by the provisions of this Compact is being conducted in violation of the provisions of this Compact. If any Class III activity is being conducted by others elsewhere on Tulalip Tribal Lands in violation of the provisions of this Compact, the State may also seek to enjoin that activity. Such action shall be brought in the U.S. District Court, pursuant to 25 U.S.C. s2710(d)(7)(A)(ii). For the purpose of this remedy, the Tribe consents to such suit and waives any defense it may assert by way of its sovereign immunity.

(c) Dispute Resolution. In addition to the other remedies and enforcement provisions elsewhere in this Compact and without prejudice to either party to seek injunctive relief against the other, the parties hereby establish a method of non-judicial dispute resolution in order to foster a spirit of cooperation and efficiency in the administration and monitoring of

performance and compliance by each with the terms, provisions and conditions of this Compact. Unless other procedures and time frames are elsewhere set forth in this Compact, then and in the event of a dispute or disagreement between the parties regarding the implementation and compliance with this Compact where referenced herein or otherwise by mutual agreement of the parties, such and same shall be redressed as follows:

(i) Either party shall give the other, as reasonably proximate to the event giving rise to the concern, a notice setting forth the issues to be resolved;

(ii) The parties shall meet and confer not later than ten (10) days from receipt of the notice;

(iii) If the dispute is not resolved to the satisfaction of either within twenty (20) days of the first meeting, then the party may seek and cause to have the dispute resolved by and in accordance with the policies and procedures of the Judicial Arbitration and Management Service of Seattle, Washington (JAMS);

(iv) The hearing, unless another date is stipulated to by the parties, shall occur no later than fourteen (14) days from Judge(s) selection before a JAMS judge or judges of agreed selection by the parties, but in the event no agreement is made, then as selected by JAMS;

(v) The hearing shall occur at a time, place and location of mutual selection, but if such cannot be agreed to, then as selected by JAMS;

(vi) The decision of JAMS shall be final and unappealable and if the party against whom sanctions are sought or curative or other conforming action is required and not paid or performed or expeditiously undertaken to effect cure if not capable of immediate remedy, then the failure to do so shall be

deemed a default and breach of the provision(s) of the Compact at issue;

(vii) The rules of pleading and procedure of the American Arbitration Association - Seattle for commercial disputes shall supplement those of JAMS, unless the parties otherwise agree to other rules and procedures and document the same by an appendix to this Compact. Should JAMS cease to provide these functions, then the parties agree to substitute the services of the American Arbitration Association - Seattle.

(d) Sanctions/Civil Fines. The following is a schedule of civil fines for any infraction of the provisions of the Compact Sections set forth below. These penalties are set forth as maximums to be set within the reasonable discretion of the State Gaming Agency and charged and levied against the Tribe. The event or circumstances occasioning the charge and the extent and amount of the penalty for the infraction, if contested by the Tribe, are subject to dispute resolution under Section 12(c). All such penalties are subject to disposition under Section 12(e).

(e) Disposition of Civil Fines Collected. Any civil fines collected by the State Gaming Agency or the Tribal Gaming Agency pursuant to the provisions of this Compact shall be disbursed at the end of each fiscal year to the Washington State Council on Problem Gambling, a bona fide nonprofit organization. In the event the Washington State Council on Problem Gambling ceases to exist or substantially changes its purpose, then the parties agree to meet and in good faith designate a successor recipient

bona fide nonprofit organization whose primary purposes are related to addressing the ills of compulsive and/or problem gambling within the State, Tulalip Tribal Lands and neighboring communities. Provided, in the event a dispute arises, it will be resolved pursuant to Section 12(c) of this Compact.

SECTION 13. TRIBAL REIMBURSEMENT FOR EXPENSES INCURRED BY THE STATE GAMING AGENCY.

In the event a dispute arises, it will be resolved pursuant to Section 12(c) of this Compact.

SECTION 14. PUBLIC HEALTH AND SAFETY.⁹

(a) Compliance. For the purposes of this Compact the Tribal gaming operation shall comply with the following minimum standards with respect to public health and safety:

- (i) National Environmental Policy Act;

(b) Emergency Service Accessibility. The Tribe shall make provisions for adequate emergency accessibility and service.

(c) Community Contribution. A sum of money equal to two percent (2%) of the net win of the gaming stations, less and except the "non-profit" gaming station(s), shall be paid by the Tribe to Snohomish County and any other neighboring jurisdictions for law enforcement and related purposes as a contribution to defer the actual or potential impacts upon those jurisdictions resulting from the operation of the Class III gaming facility, and/or other purposes as the Tribe and a jurisdiction may agree. These funds shall be proportionately shared by the such impacted jurisdictions based upon evidence of such impacts as demonstrated by each jurisdiction. The contribution shall be made annually upon the anniversary of the opening of the initial Class III facility, in the manner and method first mutually agreed upon between the Tribe and the jurisdictions involved in writing.

(d) Community Relations. The Tribal Gaming Agency agrees to be available to meet and discuss with neighboring communities any concerns regarding the impact(s) of the Class III gaming operation upon the neighboring communities.

(e) Alcoholic Beverage Service. Standards for alcohol service shall be subject to applicable law.

SECTION 15. AMENDMENTS, DURATION AND EFFECTIVE DATE.¹⁰

(a) Effective Date. This Compact shall constitute the agreement between the State and the Tribe pursuant to I.G.R.A. and shall be amendable and modified only pursuant to the provisions herein and shall take effect when notice of approval by the Secretary of the Interior that such Compact has been published in the Federal Register.

(b) Voluntary Termination. This Compact shall be in effect until terminated by the written agreement of both parties. Provided, should the Tribe wish to cease Class III gaming operations, the Tribe may unilaterally terminate this Compact by submitting written notice sixty (60) days prior to the date of termination to the Governor of the State of Washington. Provided, State jurisdiction shall continue until the completion of any pending investigation or court action. Provided furthermore, suspension or injunction of Class III gaming operations shall not constitute termination for the purpose of this sub-section.

(c) Other Termination - Change of State Law. If the laws of the State authorizing the activities set forth herein, as Class III gaming activities are repealed prohibiting such gaming for any purpose by any person, organization or entity, it is the State's position that the provisions of the Compact providing for such gaming would not be authorized and continued operation of such gaming would constitute a violation of the Compact and the State may bring an action in Federal District Court pursuant to 25 USC Section 2710 (d) (7) (A) (ii).

The Tribe disagrees that such subsequent State legislation would have this effect under IGRA and the Compact, but does

(ii) Amendments - Contractual. The parties shall amend through renegotiation the wagering limitations, hours of operation, size and/or scope of Class III gaming as set forth in Section 3 above upon written notice and request by the Tribe to the State if and when:

(aa) State or Federal laws are amended, expanding gaming beyond that which is now allowed under the terms of this Compact;

(bb) a State or Federal court within the State of Washington or a federal court interpreting the laws of the State of Washington permits participation in a gaming activity that was not authorized for any purpose by any person, organization or entity at the time this Compact was executed or not authorized by this Compact; or

(cc) notwithstanding any other provision of this Compact to the contrary, in the event the State enters into or amends a compact with another tribe and such agreement gives any such tribe more gaming facilities, activities, stations or higher wager limits, more hours of operation, or any combination thereof than that provided under the terms of this Compact, then this Compact shall be amended thereby upon approval and acceptance of any such increases by the Tribe and written incorporation of such amendments to this Compact provided to the State.

(iii) Renegotiation - Tribe. The parties shall renegotiate the nature and/or scope of Class III gaming as set forth in Section 3 above upon the written notice and request by the Tribe to the State if and when:

(aa) State or Federal laws are enacted allowing that gaming which is now prohibited; or

(bb) the Tribe wishes to engage in other forms of Class III gaming other than those games authorized in Section 3(a), including a Tribal lotto/lottery, off-track betting and/or horse racing track and facility.

(iv) Renegotiation - State. The parties shall renegotiate Sections 4, 5, 7, 11 and 14 upon the written notice and request by the State to the Tribe if and when circumstances and events unforeseen at the time of the negotiation and execution of this Compact occur meriting discussion and renegotiation of such provisions, provided however, if any renegotiation of Section 14 would require additional expenditures of Tribal funds, then the source and origin of such funds must be addressed and resolved. If the renegotiations are unsuccessful, then the matter shall be resolved pursuant to Section 12(c) which in this instance shall be mandatory and binding.

(v) Process and Negotiation Standards. The notices to amend or renegotiate shall include the activities or circumstances to be negotiated together with a statement of the basis supporting the request. If the request meets the requirements of this sub-section or proviso, the parties shall confer and required negotiations shall commence within thirty (30) days of the request. All matters involving negotiations or other amendatory processes under Section 15 shall be otherwise governed, controlled and conducted in conformity with the provisions and requirements of 25 USC Section 2710(d), except

the delegation of the actual resolution of an unsettled dispute under Section 15(d)(iv) pursuant to Section 12(c).

(vi) State Authorization of Additional Class III Gaming Activities. In the event the State hereafter authorizes any additional Class III activity, including electronic facsimiles of Class II or Class III gaming, the Tribe shall be authorized to conduct such activity prior to completion of the subsequent negotiations as provided in this sub-section (d), if such activity is conducted in accordance with all of the limitations and requirements of the State.

(vii) Interim Restrictions on Renegotiation/Amendments. Compact subsections 3(c), (f), (g) and (h) will not otherwise be subject to renegotiation or amendment for thirty-six (36) months from the date of execution by the parties of this Amendment, unless one of the following occurs: (1) the laws of the State or Federal laws are amended, expanding gaming beyond that which is now allowed under the terms of this Compact; (2) a State or Federal court within the State of Washington or a Federal court interpreting the laws of the State of Washington issues a decision permitting participation in a gaming activity that was not authorized for any purpose by any person, organization, or entity at the time this Compact was executed or not authorized by this Compact; (3) another tribe West of the Cascade Mountains obtains, through a Compact approved by the Secretary of the Interior, greater levels of wagering, hours of operation, size and/or scope of Class III gaming activities, than authorized by the provisions of this Compact; or (4) another tribe East of the Cascade Mountains obtains, through a Compact approved by the Secretary of the Interior, greater levels of wagering, hours of operation, size and/or scope of Class III gaming activities, than authorized by the provisions of this Compact and the Tribe can demonstrate that such levels have resulted in an adverse

economic impact on the Class III gaming operation; provided however, these interim restrictions on renegotiation/amendment shall not affect any ongoing renegotiation/amendments concerning gambling devices or renegotiation/amendments pursuant to any Tribal/State declaratory judgment lawsuit concerning the same or the settlement or mediation thereof. In the event of a dispute hereunder, this matter shall also be handled in accordance with the provisions of Compact Section 12(c) as other disputes arising under this Section 15 and other Sections elsewhere in this Compact.
