

**DEPARTMENT OF THE AIR FORCE
PACIFIC AIR FORCES**

Dear New Yokota Spouse,

Congratulations on your assignment to Yokota AB! We look forward to assisting you in your transition to this fantastic assignment. Please take some time to check out the information included in all areas of this CD to help get you familiar with Yokota.

We have a variety of programs available to introduce you to the Japanese culture, as well as a Heart Link program for those of you that may be relatively new to the Air Force lifestyle, or would like the most up-to-date information on base agencies and what programs they offer. In addition, we can assist you with reaching your goals while at Yokota; whether it be furthering your education, employment, or volunteering. Please give us a call at 225-8725 once you arrive to sign up for our Heart Link/Spouse Newcomer Orientation and for other great information and assistance.

Your sponsor will be scheduled to attend a Right Start Newcomer Orientation; please feel free to join us as this will include the driver's course and test so you can obtain your license for driving here. While children are always welcome at our A&FRC functions, we do ask that you consider using the free PCS Childcare from our office for the driving course, as this takes 3 ½ hours and requires undivided attention, as well as freedom from distractions for others attending. You're also welcome to attend the driving portion separately from your sponsor if obtaining childcare is an obstacle.

We hope you find the information included on this CD helpful. If we here at the Airman and Family Readiness Center can be of any additional assistance to you please give us a call/e-mail.

Sincerely,

Chanda Johnston
