

DRIVERS' LICENSE CHECKLIST

1. Study carefully the attached "Driver Course Jul09" booklet; this is the source of most test information.
2. Complete the attached 374 AW Form 50 as much as possible; have your sponsor obtain the appropriate Unit Representative signature on the form. This form is required for anyone wishing to obtain a license (spouses must have their own form). The 374 SFS Pass and Registration Office maintains a unit listing of personnel authorized to sign your 374 AW Form 50.
3. Bring your completed 374 AW Form 50, your "Driver Course Jul09" booklet, and your current driver license to Right Start when you arrive (be sure you register to attend Right Start by calling 225-8725!).
4. The combination of a correctly completed 374 AW Form 50 and passing the driver course during Right Start will ensure your timely acquisition of a driver's license upon arrival at Yokota. Please note you are not authorized to operate a vehicle until you have this license.
5. AFRC typically hosts the Local Conditions Driving Course from 1130 – 1515 on Thursdays as part of the Right Start program. Class room doors will be closed at 1130, and late walk-ins are not allowed.
