

Welcome to Japan!

Welcome to Yokota Air Base, Japan, "The Land of the Rising Sun!" We understand the challenges our military youth face having to move every few years...new home, new schools, new friends, and new environment, especially a foreign country! PCS'ng is a HUGE change and our Youth Program staff would like to make your transition as easy as possible. Develop new friendships before you arrive. Fill out the information below, send it in, and we will partner you with a youth in our program! You'll receive a response from a peer that has gone through the same experience! We look forward to hearing from you!
