COMMISSION**

DEC 15 1995

John F. Petoskey, Tribal Attorney
Grand Traverse Band of Ottawa and Chippewa Indians
2331 N. West Bayshore Drive
Suttons Bay, Michigan 49682

Dear Mr. Petoskey:

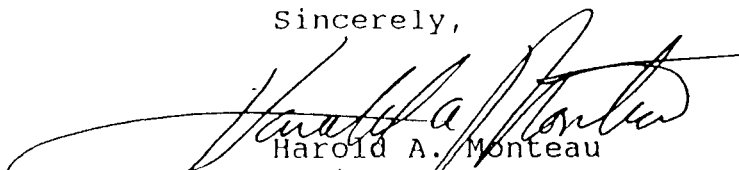

This letter responds to your request to review and approve the Grand Traverse Band of Ottawa and Chippewa Indians Gaming Code Amendment adding Section 15, which was approved and adopted by the Tribal Council on November 6, 1995. The Tribe's gaming ordinance was approved by the Chairman of the National Indian Gaming Commission (NIGC) on June 13, 1994. The amendment does not require approval by the NIGC because the amendment addresses issues not raised in the IGRA or the NIGC's regulations.

Under IGRA and the NIGC regulations, the Chairman is directed to review ordinances and amendments with respect to the requirements of the IGRA and the implementing regulations. Thus, the scope of the Chairman's review and approval is limited to the requirements of the IGRA and the NIGC regulations. Provisions other than those required under IGRA or the NIGC regulations that may be included in a tribal ordinance are not subject to review and approval.

You also requested information on an amendment which you submitted to the NIGC on September 14, 1995. In a November 20, 1995, letter, we indicated that the amendment did not require our approval. (Copy enclosed.)

Thank you for submitting the Tribe's amendment for review.

Sincerely,

Harold A. Monteau
Chairman

Enclosure

**GAMING CODE
OF THE
GRAND TRAVERSE BAND OF OTTAWA AND CHIPPEWA INDIANS**

October 1, 1993

A law to authorize, license and regulate certain forms of gaming, within the jurisdiction of the Grand Traverse Band of Ottawa and Chippewa Indians.

Section 1. Findings, Intent and Policy.

1.1 Findings. The Grand Traverse Band Tribal Council on behalf of the Grand Traverse Band of Ottawa and Chippewa Indians finds that:

(A) Tribal regulation and control of gaming activity within the jurisdiction of the Grand Traverse Band is essential for the protection of public health and welfare, and the interests of the Tribe and the residents and visitors to the tribal community.

(B) The Tribe has the legal authority to license and regulate any gaming activity within the jurisdiction of the Grand Traverse Band that is not specifically prohibited by federal law.

(C) Properly licensed and regulated gaming activity conforms with announced federal policy promoting Indian self-government and Indian tribal economic self-sufficiency.

(D) It is essential that the Tribe, through its Tribal Council, regulate gaming in a manner commensurate with applicable federal and tribal law and policy.

(E) The present needs of the Tribe include increased employment, job and skills training, housing, quality health care, nutrition, educational opportunities, social services, and community and economic development needs which are not adequately addressed by present tribal, federal and state programs.

(F) Tribal operation and licensing of gaming activities on the Reservation is an appropriate means of generating revenue to address the needs of the Tribe.

(G) The Tribe is vigorously pursuing its goal of self-sufficiency and self-determination through the development of tribal businesses and enterprises. Because the Grand Traverse Band lacks income-generating natural resources and because the Tribe's tax base is almost non-existent, the Tribe must rely on tribal business development to raise the funds necessary to expand its social, health and education programs, increase employment and improve its on-reservation economy. This effort has recently become increasingly important as a result of cutbacks in federal and state funding and the increased costs of self-government. It is, therefore, essential that the Tribe develop new and expanded sources of revenue to support its ever-increasing governmental needs and to provide much needed employment and training for tribal members.

(H) As a result, the adoption of the following new and expanded gaming laws is in the best interest of the Grand Traverse Band of Ottawa and Chippewa Indians.

1.2 Purposes. The purposes of this Code are to:

(A) Regulate, control, and license the operation of all gaming within the jurisdiction of the Tribe.

(B) Make clear and explicit that a tribal license to operate a gaming activity is a revocable privilege, not a right or property interest.

(C) Ensure that the operation of tribally-regulated gaming will continue as a means of generating tribal revenue.

(D) Ensure that tribally-regulated gaming is conducted fairly and honestly by both gaming operators and players, and that it remain free from corrupt, incompetent, unconscionable and dishonest persons and practices.

(E) Promote and strengthen tribal economic development and self-determination and to enhance employment opportunities for its members.

(F) Generate revenue to strengthen and improve tribal self-government and the provision of tribal governmental services.

(G) Ensure that all gaming revenue is used for the benefit of the Tribe and the Reservation community.

(H) Ensure that tribal gaming laws are strictly and fairly enforced against all persons involved in gaming activities within the jurisdiction of the Tribe.

(I) Ensure that the Tribe provide a fair and impartial forum for the resolution of gaming disputes.

1.3 Grand Traverse Band Tribal Policy of Self-Government. The Tribe is firmly committed to the principle of tribal self-government. Consistent with federal policy, tribal government provides a wide range of public services on the Reservation, including general governmental services, maintenance of peace and good order, establishment of educational programs, and promotion and regulation of economic activities within the sovereign jurisdiction of the Tribe.

1.4 Tribal Gaming Policy. The establishment, promotion and operation of gaming is necessary and desirable, provided that such gaming is regulated and controlled by the Tribe pursuant to tribal and federal law and any Tribal-State compact entered pursuant to the Indian Gaming Regulatory Act [25 U.S.C. 2701 et. seq., and federal regulations promulgated under the authority of the Act. 25 C.F.R. 501 et. al.], and that all revenue of such gaming are used for the benefit of the Tribe as required by the Indian Gaming Regulatory Act and tribal law. When operated in accordance with the provisions of this Code, such gaming will be conducive to the general welfare of all residents of the Reservation and service area of the Tribe.

Section 3. General Provisions.

3.1 Authority and Sovereign Powers and Responsibilities. This Code is enacted pursuant to the inherent sovereign powers of the Tribe and the powers expressly delegated to the Tribal Council by Article IV of the Tribal Constitution. The Tribe shall have the sole proprietary interest in and responsibility for the conduct of any gaming operation.

3.2 Application of Federal Policy. In 1970 President Nixon announced the policy of the United States government to promote self-determination for Indian tribes. At the heart of this policy is a commitment by the federal government to foster and encourage tribal self-government, economic development and self-sufficiency. That commitment was signed into law in 1975 as the Indian Self-Determination and Education Assistance Act, Public Law 93-638, 88 Stat.2203, 25 U.S.C. Subsection 450-450n. In 1983, President Reagan reaffirmed that commitment in his Indian policy statement, encouraged tribes to reduce their dependence on federal funds by generating more of their own revenues, and pledged to assist tribes in that endeavor.

The policy of self-governance has continued with amendments to P.L. 93-638 enacted as the Tribal Self-Governance Demonstration Project, P.L. 100-472 (1988).

In 1988 the federal commitment to promote tribal economic development, tribal self-sufficiency, and strong tribal government was expressly legislated in the Indian Gaming Regulatory Act ("IGRA"), Public Law 100-497, 102 Stat. 2426, 25 U.S.C. Subsection 2701, et seq. (1988), which recognized the inherent sovereign right of tribes to operate and their exclusive right to regulate on Indian lands gaming which is not specifically prohibited by federal law and is conducted within a state which does not, as a matter of criminal law and public policy, prohibit such gaming, and provided a federal statutory basis for operation and regulation of Indian gaming.

The federal commitment was furthered in 1988 by passage of the Indian Gaming Regulatory Act ("IGRA"), Public Law 100-497, 102 Stat. 2426, 25 U.S.C. Subsection 2701, et seq. (1988), through which the federal government recognized the inherent sovereign right of tribes to conduct and regulate gaming on their reservations and preempted state authority in the area of Indian gaming.

3.3 Grand Traverse Band Tribal Policy of Self-Government. The Tribe is firmly committed to the principle of tribal self-government. Consistent with federal policy, tribal government provides a wide range of public services on the Reservation, including general governmental services, the maintenance of peace and good order, the establishment of educational programs, and the promotion and regulation of economic activities within the sovereign jurisdiction of the Tribe.

3.4 Title, Repeal of Prior Laws, and Effect of Repeal. This Code may be cited as the Grand Traverse Band Gaming Code. The Code shall be appropriately inserted in the Grand Traverse Band Tribal Code.

All ordinances of the Tribe and all titles, chapters, and sections of the Tribal Code that pertain to gaming, and are in effect as of the effective date of this Code, are hereby repealed, and all other tribal laws or parts thereof, inconsistent with the provisions of this Code are hereby repealed.

Repeal of this Code or any portion thereof shall not have the effect of reviving any prior tribal law theretofore repealed or suspended.

3.5 Classes of Gaming. There are three classes of gaming authorized on Indian lands under this Code:

(A) "Class I Gaming" means social gaming solely for prizes of minimal value or traditional forms of Indian gaming engaged in by individuals as a part of, or in connection with tribal ceremonies or celebration.

(B) "Class II Gaming" means

(1) The game of chance commonly known as bingo (whether or not electronic, computer, or other technologic aids are used in connection therewith), which is played for prizes, including monetary prizes, with cards bearing numbers or other designations, in which the holder of the card covers such numbers or designations when objects, similarly numbered or designated, are drawn or electronically determined, and in which the game is won by the

first person covering a previously designated arrangement of numbers or designations on such cards, including (if played at the same location) pull-tabs, lotto, punch boards, tip jars, instant bingo and other games similar to bingo;

(2) All card games operated by the Tribe prior to May 1, 1988; and

(3) All other card games explicitly authorized or not explicitly prohibited by the laws of the State and which are played at any location in the State, if played in conformity with State laws and regulations regarding hours or periods of operation of such card games or limitations on wagers or pot size in such card games.

(C) "Class III Gaming" means all forms of gaming that are not Class I or Class II gaming.

3.6 Construction. In construing the provisions of this Code, unless the context otherwise requires, the following rules shall apply:

(A) This Code shall be liberally construed to effect its purpose and to promote substantial justice.

(B) Words in the present tense include the future and past tenses.

(C) Words in the singular number include the plural, and words in the plural number include the singular.

(D) Words of the masculine gender or neuter include masculine and feminine genders and the neuter.

3.7 Savings Clause. If any section of this Code is invalidated by a court of competent jurisdiction, the section is only invalidated for purposes of the litigated instant case and the remaining sections shall not be affected thereby.

Section 4. Tribal Gaming Commission.

4.1 Establishment. The Tribe hereby charters, creates and establishes the Grand Traverse Band Gaming Commission as a governmental subdivision of the Tribe.

4.2 Location and Place of Business. The Tribal Commission shall be a resident of and maintain its headquarters, principal place of business and offices on the Grand Traverse Band Reservation. The Tribal Commission may, however, establish other places of business in such other locations as the Tribal Commission may from time to time determine to be in the best interest of the Tribe.

4.3 Duration. The Tribal Commission shall have perpetual existence and succession in its own name, unless dissolved by the Tribe pursuant to Tribal law. The Tribal Commission shall not be dissolved while any obligations or indebtedness of the Tribal Commission incurred under Sections 4.18(AB) and 13 remains unpaid or undischarged.

4.4 Attributes. As a governmental subdivision of the Tribe, the

Tribal Commission has been delegated the right to exercise one or more of the substantial governmental functions of the Tribe, including regulation of tribal gaming pursuant to the IGRA and tribal law. It is the purpose and intent of the Tribe in creating the Tribal Commission that the operations of the Tribal Commission be conducted on behalf of the Tribe for the sole benefit and interests of the Tribe, its members, and the residents of the Reservation. In carrying out its purposes under this Code, the Tribal Commission shall function as an instrumentality of the Tribe. Notwithstanding any authority delegated to the Tribal Commission under this Code, the Tribe reserves to itself the right to bring suit against any person or entity in its own right, on behalf of the Tribe or on behalf of the Tribal Commission, whenever the Tribe deems it necessary to protect the sovereignty, rights and interests of the Tribe or the Tribal Commission.

4.5 Recognition as a Political Subdivision of the Tribe. The Tribe, on behalf of the Tribal Commission, shall take all necessary steps to acquire recognition of the Tribal Commission as a political subdivision of the Tribe, recognized by all branches of the United States Government as having been delegated the right to exercise one or more substantial governmental functions of the Grand Traverse Band of Ottawa and Chippewa Indians.

4.6 Sovereign Immunity of the Tribal Commission. The Tribal Commission is hereby clothed with all the privileges and immunities of the Tribe, except as specifically limited by this Title or other tribal law, including sovereign immunity from suit in any state, federal or tribal court. Except as provided in this section, nothing in this Title nor any action of the Tribe or the Tribal Commission shall be deemed or construed to be a waiver of sovereign immunity from suit of the Tribal Commission, or to be a consent of the Tribe or the Tribal Commission to the jurisdiction of the United States or of any state or any other tribe with regard to the business or affairs of the Tribe or the Tribal Commission to any cause of action, case or controversy, or to the levy of any judgment, lien or attachment upon any property of the Tribe or the Tribal Commission, or to be a consent of the Tribe or the Tribal Commission to suit in respect to any Indian land, or to be a consent of the Tribe or the Tribal Commission to the alienation, attachment or encumbrance of any such land.

4.7 Sovereign Immunity of the Tribe. All inherent sovereign rights of the Tribe as a federally-recognized Indian tribe with respect to the existence and activities of the Tribal Commission are hereby expressly reserved, including sovereign immunity from suit in any state, federal or tribal court. Neither the power to sue and be sued provided in Subsection 4.18(W), nor any express waiver of sovereign immunity by resolution of the Tribal Commission shall be deemed a consent to the levy of any judgment, lien or attachment upon property of the Tribal Commission other than property specifically pledged or assigned, or a consent to suit with respect to any land within the exterior boundaries of the Reservation or a consent to the alienation, attachment or encumbrance of any such land.

4.9 Credit of the Tribe or Tribal Commission. Nothing in this Code nor any activity of the Tribal Commission shall implicate or any way involve the credit of the Tribe or the Tribal Commission.

The property of the Tribal Commission is declared to be public property used for essential public and governmental purposes and such property and the Tribal Commission are exempt from all taxes and special assessments of the Tribe. Upon dissolution of the Tribal Commission, the title to all property owned by it shall vest in and become the property of the Tribe. The training will consist of the application of this Code, applicable federal law, and financial analysis necessary to control and manage the gaming facility.

(2) Each new Councilor/Commissioner will have six months from the date of their appointment to demonstrate their competence by successfully completing an open-book examination on the application of the Code to their positions. Failure to pass the exam within the designated time period shall be construed as an automatic resignation from the Commission. Thereafter, the Commission shall progressively and aggressively develop the gaming expertise necessary to perform their job functions.

The Council's appointment of any Tribal Commission member who is not a member of the Tribal Council shall be by resolution.

4.12 Term of Office. Each Commissioner shall serve a term of four years to coincide with the term of Tribal Council members. No member shall serve more than two terms. No person shall remain on the Tribal Commission after leaving or being removed from the Council.

The *en banc* Tribal Commission shall develop its own operating procedures and shall elect from within itself a Chairman to direct meetings, a reporter to be responsible for keeping Tribal Commission minutes and transmitting to the Tribal Council a copy of those minutes, handling correspondence and reporting Tribal Commission decisions, and such other officers as the Tribal Commission deems advisable.

(A) The Tribal Commission shall consist of three distinct entities.

The same four Commissioners shall carry out the regulator functions conferred upon them in Section 4.18(A) of this Code in accordance with this Section

4.15(C).

(1) **Regulator.** The four Commissioners shall act as compliance regulators under the following guidelines. The en banc Tribal Commission shall issue further guidelines and clarifications to the gaming facilities' gaming managers consistent with the following sections.

(a) **Policy.** The en banc Tribal Commission shall, consistent with Tribal Council policy as articulated in the Gaming Code, issue policy statements regarding the operation of gaming.

(b) **Position Description.** The four Commissioners charged with regulatory functions shall issue position descriptions for every position designated in the gaming facility. Each position description shall be subject to background investigations, as directed by this Code and 25 C.F.R. 556 and 558. In addition, each position within the gaming environment, whether or not a licensed position under this Code and 25 C.F.R. 556 and 558 shall be subject to drug testing as stated in Section 14 of this Code. No position description shall be left undefined.

(c) **Procedures.** Procedures shall consist of the interaction amongst various position descriptions carrying out the duties of the position in association with other position descriptions. The four Commissioners charged with regulator functions shall propose a system of procedures for all regulated gaming activities.

(d) **Internal Controls.** The four Commissioners charged with regulatory functions shall propose a system of internal controls describing the position descriptions and procedures necessary to effect appropriate internal controls. The en banc Tribal Commission shall approve and publish the procedures.

(e) **Internal Auditor.** The four Commissioners charged with regulatory functions shall employ a procedures auditor who shall have the responsibility of determining compliance auditing with the published internal controls procedures and position descriptions. The internal auditor shall be an employee of the en banc Tribal Commission reporting directly to the four Commissioners on a monthly basis in accord with an audit schedule covering position descriptions, procedures, and internal controls. Audit findings shall be addressed in the following month by the en banc Tribal Commission and the gaming manager. The gaming manager shall have 30 days to comply with audit findings. A consistent pattern of noncompliance in excess of 90 days shall be grounds for the en banc Tribal Commission revoking gaming licenses of the employees responsible for the noncompliance.

(D) The operator Commissioners shall carry out the operator responsibility and authority conferred upon them in Section 4.18(D) of this Code in accordance with this Section 4.15(D).

(1) **Operator.** The three Commissioners shall act as compliance operators under the following guidelines. The en banc Tribal Commission shall issue further guidelines and clarifications to the gaming facilities' general managers consistent with the following sections.

(a) **Financial Ratios.** Each year the Commission shall promulgate financial ratios for the operation of each regulated entity. Such ratios shall be constructed from a spreadsheet review of existing annual reports published by publically held gaming enterprises and a review of the Nevada gaming abstract. Such ratios shall cover the following four points:

• **Profitability Ratios** •

Gross Profit Margin (or Gross Margin) = Profit/Sales. Gross profit margin measures the margin available to cover a company's operating expenses and yield a profit.

Operating Margin = Operating Profit/Sales. Operating margin measures a company's profitability from its main source of business.

Net Profit Margin (or Net Margin or Return on Sales) = NIAT (net income after tax)/Sales. Net profit margin measures how much a company earns for each dollar of sales. Thus if a company has a net profit margin of 3%, it earns three cents on every dollar of sales.

• **Liquidity Ratios** •

Current Ratio = Current Assets/Current Liabilities. The current ratio measures the extent to which the claims of the short-term creditors are covered by the company's current or short-term assets.

Working Capital = Current Assets - Current Liabilities. Working capital measures the excess of current resources over the current obligations. The greater the working capital, the greater is the cushion to meet any unforeseen cash requirements.

Quick Ratio = (Current Assets - Inventory)/Current Liabilities. The quick ratio measures the extent to which the claims of short-term creditors are covered without the need for an inventory sell-off.

Inventory to Net Working Capital = Inventory/(Current Assets - Current Liabilities). Inventory to net working capital measures the extent to which the company's working capital is tied up in inventory.

• **Solvency Ratios** •

Debt to Assets - Total Debt/Total Assets. Debt to assets measures the extent to which a company borrows money to finance its operations.

Debt to Equity = Total Debt/Total Equity. Debt to equity measures the creditor's funds as a percentage of stockholders' funds.

Long-Term Debt to Equity = Long-Term Debt/Total Equity. Long-term debt to equity measures the balance between a company's debt and its equity; a high financial leverage indicates a risk in meeting the principal and/or interest

on the debt.

Interest Coverage Ratio = Operating Income/Interest Expense. The interest coverage ratio is calculated from the income statement. It measures the multiple by which the operating income exceeds the fixed interest expense which must be paid. The higher the ratio, the less chance of defaulting on the payment.

• **Activity Ratios** •

Inventory Turnover = Cost of Sales/Average Inventory. Inventory turnover measures the number of times a company turns over all its inventory during a year. The higher the turnover, the shorter the time that a company must sit with idle inventory.

Accounts Receivable Turnover = Sales/Average Accounts Receivable. Accounts receivable turnover measures the number of time a company turns over all its receivables during a year. The higher the turnover, the more quickly customers are paying their bills.

(b) **Operating Budgets.** The three Commissioners shall promulgate an operating budget for each property. The budget shall be promulgated under the principles of profit planning and control. The budget preparation cycle shall begin at the beginning of the fourth quarter by each department head submitting a historical record of expenses for the previous three quarters 30 days after the fourth quarter begins. Each department head, for purposes of the budgetary cycle, shall be the following: food & beverage, cage, surveillance, security, table games, slots, personnel and management, and maintenance. The three Commissioners shall review the historical expenses in relation to the promulgated operating financial ratios, and submit a revised budget to the department heads within 30 days of receipt of the historical record of expenses from the department heads. The department heads and the three Commissioners shall then meet within 15 days to negotiate compromises on budgetary items. Thereafter the *en banc* Tribal Commission shall issue the operating budget within 15 days for the next fiscal year.

(c) **Capital Budget.** The *en banc* Tribal Commission shall propose and the Tribal Council must ratify capital budget items for the next fiscal year. In the event that the Tribal Council fails to ratify the proposed capital budget, then the Tribal Commission shall meet with the Tribal Council to prepare a capital budget acceptable to the Tribal Council. A capital budget item is defined as an expenditure in excess of \$50,000 that is listed as a capital expense on the balance sheet not subject to the operating cycle as an expense item. Capital budgets shall be subject to revision only with the consent of the Tribal Council in conformity with outstanding obligations of capital facilities debt under Section 13 of this Code.

4.16 Removal of Members or Vacancies.

(A) **Removal.** A Commissioner may be removed by the Council for serious inefficiency, neglect of duty, malfeasance, misfeasance,

nonfeasance, misconduct in office, or for any conduct which threatens the honesty or integrity of the Tribal Commission or otherwise violates the letter or intent of this Code. Except as provided below, no Commissioner may be removed without notice and an opportunity for a hearing before the Council, and then only after the Commissioner has been given written notice of the specific charges at least ten days prior to such hearing. At any such hearing, the Commissioner shall have the opportunity to be heard in person or by counsel and to present witnesses on his behalf. If the Council determines that immediate removal of a Commissioner is necessary to protect the interests of the Tribe, the Council may immediately remove the Commissioner temporarily, and the question of permanent removal shall be determined thereafter pursuant to Tribal Commission hearing procedures. A written record of all removal proceedings together with the charges and findings thereon shall be kept by the Tribal Secretary. The decision of the Council upon the removal of a Commissioner shall be final.

(B) **Vacancies.** If any Commissioner shall die, resign, be removed or for any reason be unable to serve as a Commissioner, the Council shall declare this position vacant and shall appoint another person to fill the position. The terms of office of each person appointed to replace an initial Commissioner shall be for the balance of any unexpired term for such position, provided, however, that any prospective appointee must meet the qualifications established by this Code.

4.17 Conflict of Interest. No person shall be appointed or continue serving as a Commissioner if he has any personal, business, or legal relationship that creates a conflict of interest with his duties and responsibilities as a Commissioner.

(A) For purposes of conflict of interest, a "personal conflict of interest" shall be a family relationship within the first degree of consanguinity.

(B) For purposes of conflict of interest, a "business conflict of interest" shall be a business relationship that directly competes with the gaming facilities' markets. Direct competition shall be defined as a business relationship within a 200-mile diameter of the gaming facility.

(C) For purposes of conflict of interest, a "legal conflict of interest" shall be a relationship recognized as a conflict by a panel of three consisting of two attorneys and one non-attorney. The panel shall be ad hoc and formed for the sole basis of addressing the alleged legal conflict of interest. The Commissioner who is alleged to be in a legal conflict of interest shall have the opportunity to appoint one person to the panel. The Tribal Commission shall appoint the other two panel members.

(D) The charge of an alleged conflict of interest can only be raised by a Tribal member or an interested party with a direct financial interest in the resolution of the charge. General allegations by persons without a financial interest will not be reviewed.

(E) If the Commissioner is found to be in a conflict of interest by the panel, then the Commissioner shall withdraw from the matter before the Tribal Commission, and the Commission shall pay all costs of

the person bringing the charge. If the Commission is found not to be in a conflict of interest by the panel, then the person bringing the charge shall pay all costs of the Tribal Commission proceeding.

To the extent permitted by law, a personal, business, or legal conflict of interest can be waived by majority vote of the Tribal Commission only after full, complete and continuing disclosure is made by the Commissioner in the alleged conflict of interest.

4.18 Authority of Tribal Commission. The Tribal Commission shall have the following authority:

If the applicant for a GTB Gaming License is disqualified by the *en banc* Tribal Commission because of a criminal conviction, guilty plea or entrance of a plea of no contest which would be deemed a disqualifying event under Section 4(D)(2)-(4) of the GTB/Michigan compact, then the applicant, if he or she meets the categorical standards of 12.1 herein, may apply for a Certificate of Rehabilitation from the Tribal Commission for purposes of obtaining a GTB Gaming License.

In any event, no such obligations shall be payable from, or be a charge upon, any funds other than the revenues specifically pledged to the payment thereof, nor shall the Tribe be liable thereon other than to the extent specifically provided in accordance with this subsection, and such limitation shall be expressly stated in each such obligation.

(C) The *en banc* Tribal Commission, with the approval of the Tribal Council, may provide for the refunding of any obligation of the *en banc* Tribal Commission through the issuance of other obligations of the *en banc* Tribal Commission, entitled to rights and priorities similar in all respects to those held by the obligations that are refunded.

(D) In connection with the issuance of any such obligations, the *en banc* Tribal Commission is authorized to consent to be sued in accordance with, and subject to the limitations provided in, Section 4.8. As provided in Section 4.7, the *en banc* Tribal Commission is without power to waive the sovereign immunity of the Tribe, to consent to the jurisdiction of any court over the Tribe, or to the levy of any judgment, lien or attachment upon any property or income of the *en banc* Tribal Commission, the Tribe or any other organization or instrumentality of the Tribe other than that specifically pledged or assigned.

(E) No member of the *en banc* Tribal Commission, no member of the Tribal Council, and no officer, employee or agent of the *en banc* Tribal Commission or the Tribe, shall be personally liable for any of the obligations or indebtedness of the *en banc* Tribal Commission.

Refusal by an employee to submit to a drug and alcohol test shall be grounds for termination of employment.

14.4. In the case of an applicant for employment, a positive test result shall be grounds for the denial of a gaming license and/or the denial of employment. In the case of an employee, a positive test result shall not result in termination of employment where such result is the employee's first positive test result on a drug or alcohol test required by the *en banc* Tribal Commission, unless:
