(B) The State shall have the authority to review and copy all records of the Tribal gaming premises and operation, management company, financiers, as well as the manufacturers or suppliers of gaming services, supplies, and equipment during normal business hours. Any copy or information derived therefrom shall be deemed confidential, and shall be the proprietary financial information of the Tribe. (3) Avoid any undue adverse impact or expansive influence on traditional Tribal jurisdiction mechanisms, such as Tribal discussion and consensus, and on non-traditional but Tribally - adopted written jurisdictional mechanisms, such as the actions of representative bodies like Tribal commissions, boards, or courts, as these jurisdictional mechanisms pertain to Tribal jurisdiction over Tribal members. This intent to respect such existing intra-Tribal jurisdictional mechanisms applies particularly, but not exclusively, to those related to the recognition of the Tribe as possessing powers of self-government.

(B) The Tribe, and the State did retain all sovereignty and immunity to suit when discussing, negotiating, or confecting the Tribal-State Compact. The jurisdiction and law enforcement authority accorded by the Tribe to the State by this Section is limited to the territory contained in Appendix A to the Compact and identified as the gaming premises and appurtenant parking facilities. This latter jurisdictional and territorial limitation is likewise applicable to Section 3:(A)(3) of the Compact and in Section 522(C) of this Ordinance insofar as the subject matter jurisdiction accorded to the State concerning criminal law and Class III gaming. No other extension or expansion of criminal law or Class III gaming subject matter jurisdiction is consented to nor authorized by this Ordinance.
- (4) Accord the Tribe, including its duly constituted Tribal law enforcement authorities, full territorial jurisdiction, as well as concurrent and secondary law enforcement authority within the lands of the Tribe and within any Parishes where they have been duly commissioned by a local law enforcement agency, when exercising any subject matter jurisdiction accorded the Tribe pursuant to this Tribal-State Compact, or when exercising the authority accorded to the Tribe pursuant to any agreements made with a local law enforcement agency.

No other extension or expansion of criminal law or Class III gaming subject matter jurisdiction is consented to nor authorized by this Ordinance. The State is not obligated to exercise or take any action pursuant to such authority and powers on Tribal lands. The Tribe recognizes that the primary law enforcement agency of the State is the Department of Public Safety and Correction.

(D) To facilitate law enforcement activities on Tribal lands, within St. Mary Parish, or within adjacent Parishes, the Tribe and the State are authorized to enter into cross-deputization or similar contracts or agreements, including but not limited to, agreements with each other, with Sheriffs or other local law enforcement agencies, with District Attorneys, local governmental agencies, and with agencies of the United States of America. Such agreements may include provisions for necessary funding. Any cross-deputization agreements are subject to Sections 520, 521 and this Section and all such agreements shall require the consent of the Tribal Council prior to execution. Nothing in this sub-

section is intended to confer any additional jurisdiction or authority on the State beyond that which is otherwise conferred in other sections of this Ordinance.

(E) On Indian lands utilized for gaming purposes and described in Appendix A to the Compact, the plenary law enforcement powers of the Tribe and the State include, but are not limited to, immediate access to any premises, building, location, storage facility, or place whatsoever, wherever, in which might be found any thing, tangible or intangible, produced by, a part of, contributing to, or in any way whatsoever related to, a violation of any criminal law made applicable by the Compact. On Indian lands described in Appendix B to the Compact, this access may be exercised by the State only in the company of, or proceeded by authorization from, a designated official of the Tribe.
