RE: Eastern Shawnee Gaming Code

Dear Chief Wallace and Mr. Barnes:

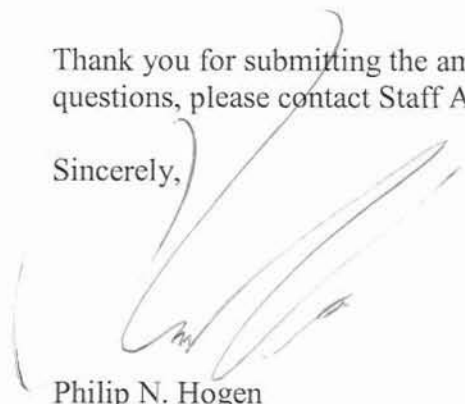

This letter responds to your request that the National Indian Gaming Commission (NIGC) review and approve the newly enacted 2008 Eastern Shawnee Gaming Code (Gaming Ordinance) as enacted on August 20, 2008, under Resolution Nos. 082008-R01 and 082008-R09. The newly enacted gaming ordinance replaces the Tribe's prior gaming ordinance enacted on December 7, 1994. The NIGC received the new gaming ordinance on December 22, 2008.

This letter constitutes approval of the amendment because nothing therein conflicts with the requirements of the Indian Gaming Regulatory Act (IGRA) and the Commission's regulations.

I must take this opportunity to again impress upon the Tribe the importance of maintaining a strong and independent gaming commission. An independent gaming commission ensures integrity of the gaming operation and can prevent significant violations of law without the need for state or federal action. Section II of the Tribe's gaming ordinance permits the Business Committee to take on the duties of the gaming commission when the Tribe lacks a gaming commissioner. Further, this section also permits the Business Committee to review and overturn gaming commission decisions. Because these provisions restrict the autonomy and efficacy of the Tribe's gaming commission, they cause me some concern. I would encourage the Business Committee to exercise these powers cautiously, if at all.

Thank you for submitting the amendment for review and approval. If you have any questions, please contact Staff Attorney Rebecca Chapman at (202) 632-7003.

Sincerely,
