Honorable John D. Currier
Chairman, Rincon San Luiseno Band of Mission Indians
P.O. Box 68
Valley Center, California 92082

Dear Chairman Currier:

This letter responds to your request to the National Indian Gaming Commission (NIGC) to review and approve Rincon San Luiseno Band of Mission Indians' (Band) Gaming Ordinance as amended, which was received on December 20, 2000. The Band, by Resolution No. 2000-107, on December 18, 2000, adopted amendments to the ordinance, which cure the deficiencies mentioned in our letter of November 9, 2000. The Chairman of the NIGC approved the original Ordinance on July 11, 1995. This letter constitutes approval of your submission to the amendments under the Indian Gaming Regulatory Act (IGRA). Such approval does not constitute approval of specific games. It is important to note that the gaming ordinance is approved for gaming only on Indian lands, as defined in the IGRA, over which the Tribe exercises jurisdiction.

Thank you for submitting the amendment to the tribal gaming ordinance of the Band for review and approval. The NIGC staff and I look forward to working with you and the Band in implementing the IGRA. If you have questions or require further assistance, please contact Ms. Frances Fragua at 202/632-7003.

Sincerely,

A handwritten signature in black ink, appearing to read "Montie R. Deer".

- (c) Any member of the Commission who receives an ex parte communication shall immediately report such communication to the Commission's legal counsel.
- (d) For purposes of this Section only, the action(s) being considered by the Commission shall be those matters identified in the written notice as provided in Section 6.03(a) of this Ordinance, as well as any other matters that are actually considered by the Commission during a hearing. All matters identified in the written notice shall be subject to the prohibition against ex parte communications. All matters not identified in the written notice that are considered by the Commission during a hearing become subject to the prohibition against ex parte communications as soon as they are discussed during the hearing.
- (e) The Commission shall have the power to impose any sanction pursuant to this Chapter upon its determination that an Applicant or Licensee has made an ex parte communication in violation of this Section.

Section 6.05 Appearance through Counsel.

- (a) Parties to all hearings governed by this Chapter may appear personally or through an attorney, except that a party must personally attend any hearing on the merits unless his attendance has been waived, in writing, by the Commission.
- (b) When a party has appeared through an attorney, service of all notices, motions, orders, decisions and other papers shall thereafter be made upon the attorney, unless the party requests otherwise in writing.

Section 6.06 Discovery Procedures for Enforcement Hearings.

- (a) The Commission's legal counsel and the Licensee shall exchange a list of persons that each party intends to call as witnesses no later than five (5) business days before a scheduled enforcement hearing. The day the list is received shall be considered a full day's notice under this Section. Each witness shall be identified by name, if known, position, and business address. If no business address is available, a home address for the witness shall be provided. Any witness not identified in accordance with this Section may be prohibited from testifying at a hearing in the Commission's discretion.
- (b) The Commission's legal counsel and the Licensee shall exchange a copy of all documents or tangible things that they intend to offer as evidence in support of the party's case in chief. This exchange shall be made to the opposing party no later than five (5) business days before a scheduled enforcement hearing. The day the documents are received shall be considered a full day's notice under this Section. Failure to make available any document or tangible thing in accordance with this section may, in the Commission's discretion, be grounds to deny the admission into evidence of such document or tangible thing.

Section 6.07 Confidential Materials.

- (a) Prior to making any documents available to the Commission's legal counsel or designated agent, the Applicant or Licensee may designate any document it believes to contain confidential information as "Subject to a Confidentiality Claim" by so marking the document prior to providing a copy of the document to the Commission's legal counsel.
- (b) Documents provided to the Commission's legal counsel or designated agent which have been marked in accordance with Paragraph (a) above, and any non-public information contained within the document, shall not be made a part of the public record of the Commission proceedings otherwise disclosed by the

Commission to any person (except as may be required under any applicable law, rule, regulation, court or administrative order, or the Compact), without first providing the applicant or licensee with the opportunity to seek a ruling by the Commission that the document or non-public information contained therein should not be made public. The request for such a ruling and any discussions relating to the document shall be heard and ruled upon by the Commission in an Executive Session meeting. If the request for such a ruling is made during a public hearing session, the hearing session shall be adjourned and the Commission shall conduct an Executive Session meeting in order to hear and rule upon the applicant's or respondent's request. The Applicant or Licensee may present to the Commission in Executive Session written and oral argument regarding the confidentiality claim, along with any facts the Applicant or Licensee believes to be relevant to such argument.

- (c) In determining whether a document marked in accordance with subsection (a) above should be made part of the public record of the Commission proceedings on the Application, the Commission will balance the Applicant's claimed confidentiality concerns against the materiality of the information to the Application, the public's right to be made aware of the information, and the Commission's need to make the information part of the public record in order to remain fully accountable for the licensing decision. In making this determination, the Commission shall consider all facts and circumstances relevant to making a proper ruling.
- (d) In the event that the Commission rules during Executive Session that the document in question and/or information contained therein should be made part of the public record of the Commission's proceedings on the Application, the document and/or information contained therein will be made part of the public record unless the Applicant withdraws the document from the Commission's possession. In the event the Applicant chooses to withdraw the document from the Commission's possession, the Commission will then weigh the withdrawal along with the other evidence in making its determination on the Application. Withdrawal of documents from the application process shall be looked upon by the Commission with disfavor, and, depending on the facts and circumstances, the Commission may deem the withdrawal of any document to be sufficient cause in and of itself for denial of the License.
- (e) In the event that the Commission rules during Executive Session that the document and/or information contained therein should not be made part of the public record, the document shall be designated "Confidential" and will not be made part of the public record. The Commission may consider the document and information contained therein in camera in making its determination on the Application.

- (f) At the conclusion of the Commission proceedings on the License application, the Commission will return to the Applicant all documents marked as "Subject to a Confidentiality Claim" pursuant to Paragraph (c) above that were not (i) made part of the public record of the gaming License application or (ii) designated as "Confidential" and considered by the Commission in camera.

Such testimony shall be under oath and may include any matters which the Commission deems relevant to the discharge of the Commission's official duties. Testimony shall be recorded by a duly certified court reporter and may be used by the Commission as evidence in any proceeding or matter before the Commission. Failure to appear and testify fully at the time and place designated shall result in sanctions. Failure to appear may constitute grounds for:
 - (1) the refusal to grant a License to the person summoned, and /or that person's principal, or employer;
 - (2) the revocation or suspension of a License held by the person summoned, and/or that person's principal, or employer; or
 - (3) the inference that the testimony of the person summoned would have been adverse to that person and/or that person's principal or employer.

- (c) Any party to the hearing may call and examine witnesses. The Commission shall exercise its discretion to limit the testimony of witnesses where that testimony is argumentative or repetitive.
- (d) The Commission shall have the authority to eject from the hearings any person who is disruptive, disorderly, or who shows a lack of proper respect for the Commission or the nature of the proceedings.
- (e) Persons shall be permitted to speak only when recognized by the Chair.
- (f) Any member of the Commission may ask questions of witnesses, and may request or allow additional evidence at any time.

- (i) The Commission, in its discretion, has the power to sequester witnesses.

Section 6.10 Evidence.

- (a) In hearings governed by this Chapter, the Commission shall not be bound by technical rules relating to evidence and witnesses. The Commission shall admit all testimony having reasonable probative value, but shall exclude immaterial, irrelevant or unduly repetitious testimony. The Commission shall give effect to the rules of privilege unless such privilege is waived. Basic principles of relevancy, materiality and probative force shall govern the proof of all questions of fact. Objections to evidentiary offers and offers of proof of evidence not admitted may be made and shall be noted in the record.
- (b) All evidence, including records and documents in the possession of the Commission or which the Commission desires to avail itself, shall be duly offered and made a part of the record in the case. Every party shall be afforded adequate opportunity to rebut or offer countervailing evidence.
- (c) The Commission may take official notice of any generally recognized fact or any established technical or scientific fact; but parties shall be notified either before or during the hearing or by full reference in preliminary reports or otherwise, of the facts so noticed, and they shall be afforded an opportunity to contest the validity of the official notice.

- (d) Documentary evidence may be received in the form of copies or excerpts, if the original is not readily available. Upon request, parties shall be given an opportunity to compare the copy to the original.
- (e) The record in a hearing governed by these Rules shall include:
 - (1) All Applications, intermediate rulings and exhibits and appendices thereto.
 - (2) Evidence received or considered, stipulations and admissions, including but not limited to confidential evidence received pursuant to Section 6.07 of this Ordinance.

- (c) A copy of any resolution reached pursuant to Section 6.11(b) of this Ordinance shall be served upon the Applicant or Licensee by registered or certified mail, or may be served personally.

Section 6.12 Sanctions. If any party or its attorney fails to comply with any provision of this Ordinance, the Rules and Regulations developed by the Commission pursuant to the Ordinance (hereafter “Rules”), the Compact, IGRA, the conditions of any license issued by the Commission, any order by the Commission, or any other applicable laws, regulations or agreements, including, but not limited to any agreement, regarding any matter, including, but not limited to, discovery matters and the failure to appear at a hearing at the scheduled time, the Commission upon motion or upon its own initiative, may in its discretion impose upon
