K: I just wondered about your man in Penom Penh.

H: He isn't closer there then when I talked to you last. I checked on this at 6:00 last night.

K: What does it take to get him in there?

H: Green and Rogers to agree to get him in.

K: What reason is there for not doing it?

H: [REDACTED]

K: What's the problem?

H: [REDACTED]

[REDACTED] there but there has been a problem of real estate and room.

K: If they feel your man follows the equipment, they are not in a hurry to get the equipment in there.

H: That's right. I w also suggested a communicator and he could handle both sides. We don't really have to wait on this. I think it's silly but I don't know how to handle it any harder than I have. Would you call Green?

K: I don't deal with Green. Will you consider this a formal request for a status report and get a one page memo to me this afternoon? Just what you've told me. There will be no further negotiation.

H: I will and thank you.
