				Time Elapsed	

Tasks 1 through 9a must be completed by the responsible parties before initiating the recruitment with an SF-52. Once this form (completed through task 9a) and the Recruitment SF-52 have been received, your HRD Specialist will contact you to finalize this recruitment agreement and will ensure that the dates are filled in and agreed upon. Once the dates have been filled in and agreed upon, HRD will sign and return to the Hiring Manager for their signature. The Hiring Manager must sign and e-mail or fax back to HRD for maintenance throughout the remaining recruitment process.

Both HRD and Hiring Managers should be aware of due dates where they have been assigned primary responsibility. In addition to Hiring Timeline Expectations, it is expected that HRD will continue to meet the appropriate customer service standards and timeframes. All responsible parties will be expected to ensure their availability during the portions of the recruitment process for which they have been assigned primary responsibility.

This agreement certifies the required actions, primary responsible parties, and target timelines for your recruitment. Although the responsible parties are outlined in this agreement, to ensure the best possible recruitment outcome we expect ongoing cooperation among all parties. All parties are encouraged to complete any timeline expectations as soon as possible, not just by the outlined "Due Date."
