The complaint alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain game devices, components thereof, and products containing the same by reason of infringement of certain claims of United States Patent No. 7,787,411. The complaint named various Datel entities as respondents.

On March 1, 2011, the ALJ issued the subject ID (Order No. 4) setting a 17-month target date for completion of the investigation. None of the parties petitioned for review of the ID.

The Commission has determined not to review the ID.
