MEMORANDUM FOR:

CHUCK COLSON

FROM:

WILLIAM E. TIMMONS

While I didn't plant the attached story, it is basically true. My spy in the group may now be compromised so I would like to see the Coalition discredited publicly. By showing the involvement of kooks we might scare away more responsible groups. At any rate, this Proxmire-Mathias amendment could cause us as much trouble as McGovern-Hatfield. Also an effort should be undertaken to split off Teamsters, Steelworkers, etc.

Can you help?
