MHS LEARN SELF REGISTRATION GUIDE FOR

WOMACK ARMY MEDICAL CENTER PERSONNEL ONLY

IMPORTANT NOTE: New learners to MHS Learn will need to Self Register to create an MHS Learn account. The MHS Learn Website can be accessed from a non-government computer. Performing a "Browser Check" on your computer is recommended before starting the MHS Learn HIPAA training. MHS Learn will not run properly without all necessary applications.

HIPAA Training Policy (OTSG/MEDCOM Policy Memo 09-080, 6 Oct 09): All military, civilian, contractors, volunteers, trainees, and any other person whose conduct, in the performance of their work, is under the direct control of Womack, whether or not they are paid by Womack, are required to complete their HIPAA Training within 30 days from their report date and complete an annual refresher during their birth. Individuals completing their Core training within 6 months of their birth month will be given credit for completing their annual refresher training.

HOW TO PERFORM A BROWSER CHECK

"Outcome" must have all "Check" marks. If you get a RED "X" by any of the Browser Properties, MHS Learn will not run properly.   If you are using a Womack computer, please call the Enterprise Service Help Desk @ 1-800-872-6482 for assistance.
