## Project/Performance Site Location Instructions

Enter Project/Performance Site Primary **Location (Required)**:

Indicate the primary site where the work will be performed. The primary project/performance site location is a required section.

If a portion of the project will be performed at any other site(s), identify the site location(s) in the additional block(s) provided. These additional sites are optional.

Field Name	Input
Organization Name	Indicate the organization name of the primary site where the work will be performed. If a portion of the project will be performed at any other site(s), identify the site location(s) in the block(s) provided. (This field is not applicable for applicants using the SF 424 Individual Form Set.)
DUNS	Enter the DUNS number associated with the organization where the project will be performed. (Note this field is not required for applicants using the SF424 Individual Form set.)
*Street 1	Enter first line of the street address in "Street 1" field of the primary performance site location.
Street 2	Enter second line of the street address in "Street 2" field for the primary performance site location. This field is optional.
County	Select the County for the performance site location.
*City	Enter the City for address of the primary performance site location. This field is required.
*State	Enter the State where the primary performance site location is located. This field is required if the Project Performance Site is located in the United States.
Province	Enter the Province where the primary performance site location is located.
Country	Select the name of the country for the primary project performance site
*Zip Code	Enter the nine-digit Postal Code (e.g., ZIP code) of the primary performance site location. This field is required if the Project Performance Site is located in the United States.
*Project's Congressional District	Enter the Congressional District of the Primary Project/Performance location in the format: 2 character State Abbreviation - 3 character District Number. Examples: CA-005 for California's 5th district, CA-012 for California's 12th district. If all districts in a state are affected, enter "all" for the district number. Example: MD-all for all congressional districts in Maryland. If nationwide (all districts in all states), enter US-all. If the program/project is outside the US, enter 00-000. To locate your congressional district, visit the Grants.gov web site. Note it is likely that this field will be identical to the "Congressional Districts of Applicant" field provided elsewhere in this application.

## Project/Performance Site Location Instructions

**Project/Performance Site Location 1 (Optional):** If more than 30 performance site locations are proposed, provide the requested information in a separate file and attach.

Field Name	Input
Organization Name	Indicate the organization name of the primary site where the work will be performed. If a portion of the project will be performed at any other site(s), identify the site location(s) in the block(s) provided. (This field is not applicable for applicants using the SF 424 Individual Form Set.)
DUNS	Enter the DUNS number associated with the organization where the project will be performed. (Note this field is not required for applicants using the SF424 Individual Form set.)
*Street 1	Enter first line of the street address in "Street 1" field of the primary performance site location.
Street 2	Enter second line of the street address in "Street 2" field for the primary performance site location. This field is optional.
County	Select the County for the performance site location.
*City	Enter the City for address of the primary performance site location. This field is required.
*State	Enter the State where the primary performance site location is located. This field is required if the Project Performance Site is located in the United States.
Province	Enter the Province where the primary performance site location is located.
Country	Select the name of the country for the primary project performance site
*Zip Code	Enter the nine-digit Postal Code (e.g., ZIP code) of the primary performance site location. This field is required if the Project Performance Site is located in the United States.
