SPECIAL RECOGNITION

The Navy would like to thank Michael Bosch (Insight Environmental, Engineering and Construction Inc. [Insight]) for his dedication to the HPS team. Mr. Bosch serves the HPS project as the principal scientist and a senior project manager for Insight. Mr. Bosch joined Insight in February 2008, and has been a part of the IR-26 source removal team since that time. While this is the first site at HPS to which Mr. Bosch has contributed, his efforts here are the culmination of eighteen years of experience as an environmental professional. Mr. Bosch holds bachelor degrees in toxicology and neurology, and a master of science in environmental management. When not enjoying his favorite pastime of relaxing with his wife and two small children, Mr. Bosch plays jazz piano professionally in the Sacramento area.

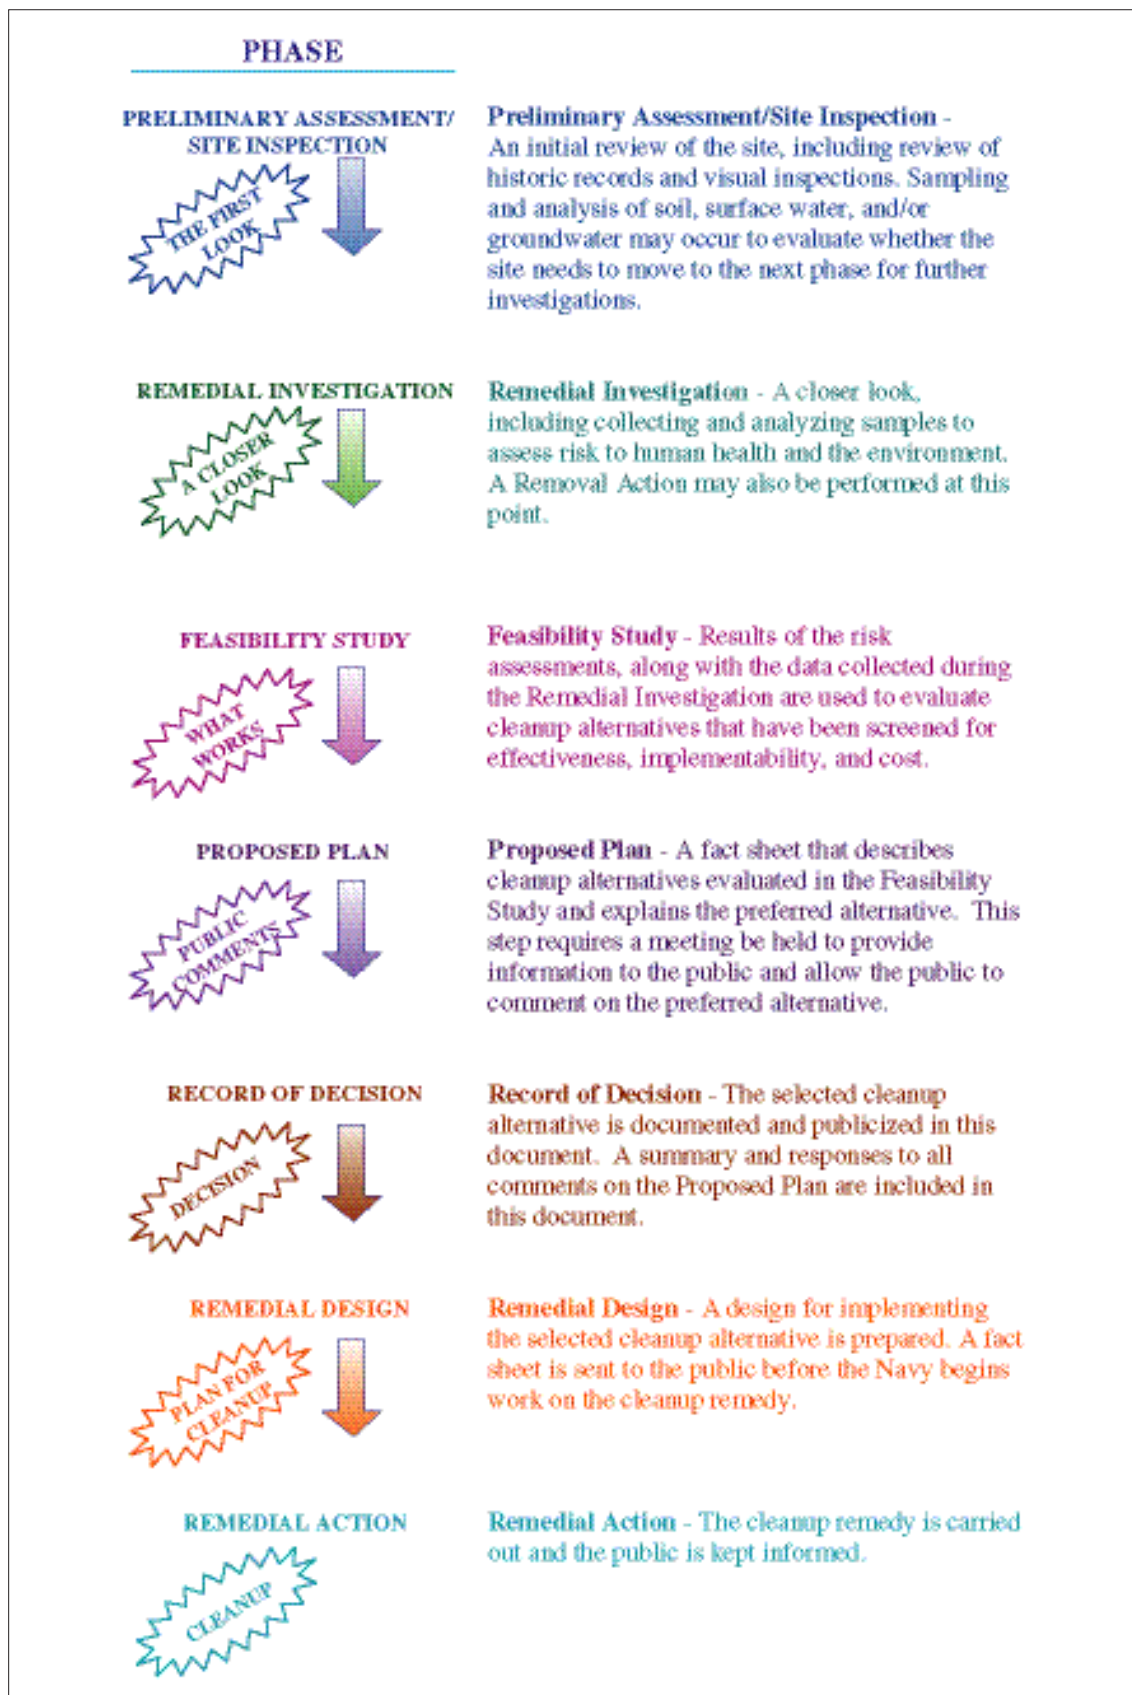

BASEWISE DOCUMENTS

There are no basewide documents scheduled to be released during this reporting period.
