

December 5, 2011 – Medical Officer for the AHRQ Quality Indicator (QI) program

The Agency for Healthcare Research and Quality (AHRQ) is seeking a qualified individual to serve as the Medical Officer for the AHRQ Quality Indicator (QI) program. The incumbent will initiate and oversee clinical research efforts related to the AHRQ QIs and represent the Agency at national meetings focused on measurement efforts related to properties of the AHRQ QIs. The incumbent will conceptualize and lead efforts which contribute to the continued maintenance, enhancement, and improvement of the AHRQ QIs. The vacancy announcement is now posted at <http://www.usajobs.gov/GetJob/ViewDetails/2399591?share=email>. Please circulate to interested colleagues.
