

ENERGY SPECIALIST TRAINING PROGRAM

REGISTER TODAY FOR THE FALL SESSION!

IF YOU ARE:

- **LOOKING FOR AN EDGE IN THE ENGINEERING EMPLOYMENT FIELD FOR WHEN YOU GRADUATE**
- **WANTING TO GET HANDS-ON EXPERIENCE WORKING WITH REAL COMPANIES AND REAL ISSUES**
- **INTERESTED IN ENERGY MANAGEMENT AS A PROFESSION**
- **HAVE A PASSION FOR SUSTAINABILITY**

The Energy Specialist Program is a unique opportunity to establish a specialty track to enhance your Engineering Degree.

The program is sponsored by the Central Florida Energy Efficiency Alliance (CFEEA) and provides students with a rare opportunity to work with **REAL BUSINESSES** on issues of energy tracking, building performance, and capital improvement projects.

We are now accepting applications from students from the College of Engineering to join the program for the Fall Session. The program is **FREE** and the schedule is flexible. Please inquire with your **UCF ASHRAE Student Chapter** below for more details.
