**Subject:** FS AD Pay Plan Correction - Aircraft Coordinator Position

Hello all –

There is an error in the position matrix of the FS AD Pay Plan. Under Coordination and Support, the first position listed is THSP – Air Space Coordinator (National and GACC) at the AD-I rate. This position should be listed as THSP – **Aircraft** Coordinator (National and GACC) at the AD-I rate.

Please share this information with your hiring units and dispatch centers. This error will be corrected in the 2013 FS AD Pay Plan.

Questions – give me a call.

Thanks – Sarah
