

Notice -Environmental Assessment (EA) for Watershed Enhancement Activities at Sixmile Creek and Otter Creek/Lake on JBER, Alaska.

JBER is preparing an EA for watershed enhancement activities. A Notice of Availability (NOA) will be published in local newspaper(s) and on this website. The NOA will initiate the public comment period and explain the method for submitting comments on the EA /draft Finding of No Significant Impact (FONSI). JBER an anticipates releasing the EA /draft FONSI for public comment in early 2013.
