

CMS INITIATIVE TO REDUCE AVOIDABLE HOSPITALIZATIONS AMONG NURSING FACILITY RESIDENTS

List of organizations that have submitted a Notice of Intent to Apply (NOIA) and have approved the posting of their information

Notes:

The deadline for submitting a NOIA was May 7, 2012 by 3:00pm EST.

This list includes only those organizations that have granted permission for their information to be posted publicly. There are other organizations that have submitted a NOIA.

The list is sorted alphabetically by "Primary" State targeted for the proposed intervention.

A NOIA is non-binding and organizations that have submitted a NOIA may choose not to apply to the Initiative. Additionally, the target locations identified by organizations to implement their intervention may change. Information not associated with the proposed target location has been removed from certain fields.

The posting of this list of organizations that have submitted a NOIA is not a confirmation of eligibility.

The deadline for submitting a full application is June 14, 2012 by 3:00pm EST.

Please direct questions about the Initiative to NFInitiative2012@cms.hhs.gov. Programmatic questions regarding this opportunity submitted after May 31, 2012 are not guaranteed a response.

More information on this Initiative can be found at the below websites:
