### Reductions in the Annual Numerical Levels for Diversity Immigrant Visas and Employment-Based Third Preference Other Worker Immigrant Visas (Per Sections 203(d) and 203(e) of Pub. L. 105–100)

Section 203(d) of the Nicaraguan Adjustment and Central American Relief Act (NACARA) of 1997 (Pub. L. 105–100 enacted November 19, 1997), as amended by Section 1(d) of the Nicaraguan Adjustment and Central American Relief Act–Technical Corrections (Pub. L. 105–139 enacted December 2, 1997), provides that beginning with Fiscal Year 1999, and for as long as necessary, the 55,000 diversity visa numbers available for a fiscal year will be reduced by up to 5,000 annually to offset adjustments under the NACARA program.

Section 203(e) of the NACARA, as amended by Section 1(e) of Pub. L. 105–139, provides that once the Employment Third Preference Other Worker (EW) cut-off date has reached the priority date of the latest EW petition approved prior to November 19, 1997, the 10,000 EW numbers available for a fiscal year are to be reduced by up to 5,000 annually beginning in the following fiscal year. This reduction is to be made for as long as necessary to offset adjustments under the NACARA program. Since the EW cut-off date reached November 19, 1997 during Fiscal Year 2001, the reduction in the EW annual limit began in Fiscal Year 2002.
