	<i>Subsidies</i>	16%	43%	32%	7%	1%	\$8.4

NOTE: The 1997 costs represent a full year of subsidies; in the "Uses Table", only 75% of these subsidies are displayed since the programs begin on January 1, 1997.  
Due to some overlapping eligibility, the cost and coverage in the kids' and temporarily unemployed program are not equal to the sum of the two stand-alone programs.
