U.S. DEPARTMENT OF ENERGY

Property Storage Request

Purpose and/or Future Use of Item(s) *

Why are you storing the property?

Required Preventative Maintenance While in Storage *

Does the property need to be power or frequent maintenance?

Required Storage Condition (Inside/Outside, AC/Heat, etc.) *

Any Stored Energy in this Equipment? (Gas Pressure, Electrical Charge, etc.) *

Yes No

Self explanatory.

Any Radiological or Chemical Contamination? (Radiation, Asbestos, PCB, etc.) *

Please contact RADCon or EHS&Q if there are PCB's, Radiation, etc. if these factors are apply to the property prior to releasing to Property Management.

If you have more than 1 crate, pallet, or stand-alone item make separate line item for each.

Add Item

Property Management use only.

For Admin Only
