Re: Roy

We months or at least weeks ago asked for K. Way's "read" on this person - did you ever learn anything? With Biden's recent letter I'm sure I'll have to go do this - let's review early next week. 5th is out.

since I'll just be getting back from Ark but let's look at 20<sup>th</sup>?

*MBNA  
visit  
Carol?*

Dear Ms. Rasco:

Sister Jeannette Murray and I cordially invite you to visit the Benedictine Open Community Program in Newark, Delaware on Tuesday, October 5, 1993 or Wednesday, October 20, 1993. We would be delighted to have you visit MBNA America Bank where nineteen mentally disabled adults work side by side with their normal peers.

After a bank tour and lunch, we will visit our group homes in the community.

We hope your schedule will allow you to spend time with us and witness an example of the successful implementation of a program that can work in many other communities.

I look forward to hearing from you.

With best wishes.

Sincerely,

*Micki Edelsohn*
