Ms. Carol H. Rasco
Assistant to the President
for Domestic Policy
White House
Washington, DC 20500

Dear Carol,

I was overwhelmed to receive your letter of November 18, knowing the many responsibilities that you have, you're taking the time and trouble to write means even more to me. Of course, I have been following you career as close as I could through the news media, and I wish you well on the work you are doing for the President and our country.

The Administration on Aging has convened a special meeting to provide general information and solicit our support for the President's Health Care Package. The meeting is to be on January 24-25 in Washington, and my wife and I plan to come in on the 22nd and leave the afternoon of the 25th, and if your schedule permits, I would like to say "hello".

I'm not sure what the protocol or procedure is in order to obtain a White House Tour, but I would appreciate your guidance in this matter. If all else would fail, maybe at least we could speak just to say "hello", your schedule permitting.

Best wishes for an even more exciting and successful year ahead.

Sincerely,

Darrell
