Subject: Soring of Gaited Horses

Dear Mr. Gipson,

As an owner of two gaited horses, a Tennessee Walker and a Missouri Fox Trotter, I am outraged that anyone could inflict this kind of pain on their horses just to achieve an exaggerated and unnatural gait for the show ring. I hope that you will do everything you can possible do to prosecute those who do this and end it once and for all. Of course if I could have my way I would inflict the same kind of treatment on those who would knowing and on purpose inflict this kind of pain on their horses. It's it absolutely disgusting.

Thanks you for your actions on behalf of these horses. Please do all you can to stop it.
