IN THE MATTER OF

EMPLOYMENT SECURITY DEPARTMENT  
COMMISSIONER,  
Complainant

v.

U.S. DEPARTMENT OF LABOR  
Respondent

CASE No.: 90-JTP-29

**ORDER GRANTING EXTENSION**

On October 9, 1990, the Commissioner for the Employment Security Department of the State of Washington (hereinafter Complainant) filed with this office a Motion for Extension of Time in which to file a Prehearing Exchange. Complainant bases its Motion on two grounds. First, Complainant claims that due to an apparent oversight, counsel for Complainant have not yet received a copy of the Grant Officer's administrative file as required in the Notification of Receipt of Request for Hearing and Prehearing Order, dated July 19, 1990. Therefore Complainant requests additional time to prepare the materials required for the Prehearing Exchange upon receipt of the administrative file. Additionally, Complainant states that the Department of Labor has no objection to an extension of time in which to file a Prehearing Exchange.

The record before this office indicates that both parties are in agreement that an extension of time in which to respond to the Prehearing Order be established at November 30, 1990. The request for an extension of time is hereby GRANTED. Both parties are hereby **ORDERED** to comply with the requirements of the Prehearing Order by November 30, 1990.
