- Military OneSource
- And many more

# United Through Reading Project

## How It Works

### *United Through Reading Circle of Communication*

The servicemember reads a book while being recorded and sends the DVD home to the child.

The child at home watches the DVD and follows along with the book, if available.

The servicemember's morale is boosted by the feedback and he or she is encouraged to read again.

The parent at home captures the child's reaction to the DVD in a photo or email and shares with the servicemember.

**RSVP to Rebecca Cohen at  
princecaleb12@yahoo.com**
