**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Interim final rule, extension of comment period.

**SUMMARY:** NMFS published an interim final rule on December 13, 2010, to implement Steller sea lion protection measures to ensure that the Bering Sea and Aleutian Islands management area groundfish fisheries off Alaska are not likely to jeopardize the continued existence of the western distinct population segment of Steller sea lions or adversely modify its designated critical habitat. A notice correcting errors identified in the preamble to the interim final rule and in the regulatory text was published on December 29, 2010. The public comment period for the interim final rule ends on January 12, 2011. **SUPPLEMENTARY INFORMATION:** An interim final rule was published in the **Federal Register** on December 13, 2010 (75 FR 77535), to implement Steller sea lion protection measures to ensure that the Bering Sea and Aleutian Islands management area groundfish fisheries off Alaska are not likely to jeopardize the continued existence of the western distinct population segment of Steller sea lions or adversely modify its designated critical habitat. A notice correcting one error in the preamble and one typographical error and content within the regulatory tables was published in the **Federal Register** on December 29, 2010 (75 FR 53272).

The public comment period for the interim final rule ends on January 12,
