The Family Medicine Residency at Fort Bragg

*Setting the Standard for Training in Family
Medicine*

WOMACK ARMY MEDICAL CENTER

Fort Bragg, North Carolina

**Home of Special Operations
and the 82nd Airborne
Division**

Are you ready to serve as an Army Family Physician?

If your answer is yes, you will find no better place to train than Fort Bragg! Army Family physicians serve in clinical, operational, and leadership positions. The curriculum at Womack Army Medical Center will prepare you to excel in these diverse areas. Our curriculum trains you to provide the best care to all Army Family Members anywhere in the world.

Our residents make the most of the close relationship Womack Family Medicine enjoys with the Special Operations and 82nd ABN community for their Operational Medicine and elective experiences. As scheduling allows, resident's participate in:

- Tropical Medicine Courses
- Global Medicine Courses
- Expert Field Medical Badge
