The on call period will run for two weeks commencing at 0001 on Wednesday of the first week, and will terminate on Tuesday of the second week at 2400.

Teams are mobilized on a first, second, or third team out basis. Once a team is mobilized or if a team is unavailable for dispatch, the next team in order of rotation will assume their position until they are mobilized or the rotation period ends. If a team is released to their home unit, has time left in the rotation period and are available, they will enter the rotation in the last position.

In an effort to maintain currency, functionality, and viability of the RMA Type 2 teams, the regional rotation will be followed until such time as there becomes a disparity of two assignments between Type 2 teams. The team(s) without an assignment will be given the opportunity for an assignment prior to the team on-call. In-Zone assignments for Team C count in their total number of assignments, however they will continue to be the first team assigned within the GPC zone.

Team C drops out of the GACC rotation when Great Plains Zone PL is at 3, 4 or 5. Team C will be available year-round in the GPC Zone and is the first team assigned to Type 2 incidents within the GPC Zone.
